**Happy New (Rotary) Year!!**

Oceanside Rotary started out our New Year of “Service Above Self” with our first meeting at the Yardhouse in Carlsbad. Our Host BILL DERN kicked off the evening with finger food for everyone to enjoy. Thank you, BILL!!

We had 30 total Rotarians and guests at the shindig / meeting! Our new / old President RENEE RICHARDSON-WENDEE was overwhelmed with the attendance and she made sure she was in every picture. We all felt she was just checking for Rotary pins, and made sure she saw them prominently displayed.

After the tall “yards” of beers were delivered, RENEE finally understood why the joint is called the Yardhouse! (She may be kind of slow, but her brain does kick in eventually.)

Hard at work, President RENEE invited William Birnie, President of Pacific Marine Credit Union to become a member of our club.

Lots of Rotarians, guests, good food, great beer & wine and a lovely evening to eat out on the patio. The only thing that would’ve made it even more perfect would have been if parking was a bit more available – but I liked it because I got my steps in! Obviously Carlsbad is doing something right. This was definitely the place to be on a Friday evening. A good time was had by all!

**IMPORTANT REMINDER**: This week is the annual Carlsbad/Oceanside Rotary combined BBQ on Thursday evening July 19 at Agua Hedionda Lagoon Discovery Center in Carlsbad at 6 pm. Those participating in this event should bring their own Beer and Wine. Also, if you would like a sturdy plate and a real steak knife, that would also be advisable to bring with you! It's kind of hard to eat those Tip Top Steaks on a paper plate and cutting them with a plastic knife is almost impossible!

Our regular meeting on Friday will once again be dark. Plan on being at the country club on Friday July 27 for the first regular (non-beer-drinking) meeting of our New Year that is underway!

### **ROTARIANS OUT AND ABOUT**

Summer must be underway, because we have quite a few members traveling around on vacations ....

**JIM SCHRODER** checked in with us on another of his adventures. This time, though, he stayed well within the borders of the U.S. of A.

*JIM reported, "I was in Pray, Montana in late June for a cowboy wedding for a cousin's son who was getting married. The wedding actually took place in a field next to a home where we were staying in the small little tiny town. What a beautiful location for a wedding!"*

The town of Pray is just outside of Yellowstone National Park, so of course, JIM had to take some time to go hiking and take in some of the marvelous sights.

*In the photo with the sunglasses, “notice the Oceanside logo sweat shirt. Have to promote the hometown tourism - even on vacation! 10 minutes after this picture was taken, it started snowing on June 29th. Really.”*

In the photo with the sunglasses, “notice the

**TOM BRAULT** did not have to worry about snow on his travels to his family reunion in the bustling burg of Mishicot, Wisconsin. At this heartwarming biannual event, he and wife **LINDA** got to introduce daughter **ROBYN**’s fiancée **MARK DERN** to the Brault / Oestreich extended family. A side trip was taken by many

of the members of the family to nearby Two Rivers, the hometown of TOM’s father and grandparents. Included in this visit was a stop for a beer in the tavern on the main drag that used to be owned by Grandpa Oscar and was called “Brault’s Bar” back in the day.

The rest of the week away was spent at the family's cabin on Planting Ground Lake in the Wisconsin Northwoods.

It was an especially joyful time because it marked the first time in several years when all of the Brault Brothers were together, singing and playing just like in the old days.

Also enjoying some R&R in a different version of paradise were DALE and NIKKI MAAS, and son BLAKE who reported they were *“having a blast out here in Maui”*, and sent along some photo highlights. Some fellow Rotarians speculated that running the Golf Tournament must have been too much stress for DALE to handle and he needed some time on the island to decompress!
