## **SPECIAL FOURTH OF JULY EDITION!**

Actually, to be fully factual, this really is the 1st of July and 3rd of July edition.

Dedicated Rotarians woke up bright and early after our June 30 demotion extravaganza to gather in Downtown Oceanside on Saturday, July 1 to prepare our annual float for the Oceanside Independence Parade. The flatbed truck was decked out with flags and bunting, our members and families were decked out in their patriotic finest red, white and blue clothes. And then it was parade time. Some folks rode on the truck, waving all the way up Coast Highway. Others walked alongside the slow moving vehicle, waving and smiling at our fellow citizens as they celebrated the holiday with a hometown parade. Some of us sat on the sidelines as spectators, then cheered wildly as the Rotarians passed by. And one of us (JIM SCHRODER) was the TV host of the whole shebang, commenting on the various entries for the live broadcast alongside KRISTI HAWTHORNE from the Oceanside Historical Society. All told, Oceanside Rotary was proudly represented in this annual city event.

Then on Monday, July 3, even more Rotarians and family and friends and acquaintances descended upon JIM SCHRODER's house for dinner and drinks and camaraderie and, after nightfall, a spectacular view of the fireworks down in the valley below.

Enjoy this selection of photos from both events!

**And remember to come to our meeting this week for Chuck's very first Rotary Meeting! Don't miss it!!!**
