SPECIAL FOURTH OF JULY 2018 EDITION!!

The Demotion was done, but there still was one more Oceanside Rotary event to take place before the official end of the Rotary year under Now Past President Chuck Ward at the end of June. On Monday, June 25, the Rotary Clubs in Oceanside banded together for our annual Golf Tournament at El Camino Country Club. It was a beautiful day filled with beautiful people getting together for a beautiful purpose – to raise funds to support the various clubs’ programs and projects.

The golf carts were lined up, ready for action as Kyle Pederson and the other smiling volunteers manned the registration table and Anchisa Farrant and Lola Sherman enticed players into buying raffle tickets. Event Chair Dale Maas huddled with Oceanside Rotary volunteers and had some quality time with some of our newer members (Melissa Rodriguez, Diego Dobson, and Kyle). And then, the tourney kicked into gear, with Melissa raring to go and Then Technically Still President Chuck waving as he hit the links. Dave Nydegger kicked back in his custom chair to witness the action along with Brian Orr at greenside. Later on, it looks like Brian may have had to have a talk with one of the other Rotarians about the spirit of the 4 Way Test as scores were being reviewed. And, of course,

what round of golf is complete without a visit like Chuck and John Hartman made to the 19th hole for some refreshment and relaxation after a fine day on the links?

Many thanks to all who participated and helped make this event so fun and successful!

And then, we moved into July and into the Reign of Renee, Episode 3...

Oceanside Rotary Starts off the New Year with a Bang!

The Rotary Clubs of Oceanside started their year at the Independence Day Parade on Saturday, June 30th.

Participating in the parade were the three clubs' incoming Presidents Renee Richardson-Wendee (Oceanside), Dennis Merchant (San Luis Rey), and Julie Bemis (El Camino) along with District's 5340 incoming District Governor Mel Gallegos and his wife Judi. Special thanks go out to Janet Bledsoe Lacy, who brought coffee and donuts to start the day off right.

Our float was a tow truck donated by Escondido Rotarian, Amir Iravani from NK Towing and Roadside Services. Rotarians, friends and family from all three clubs decked the tow truck out in Red White and Blue and then jumped onboard or walked up the parade route on Coast Highway.

Our incredible driver made sure our presence was made know by blowing the air horn throughout the entire parade route. I tell you it was a crowd pleaser, and a good way to build awareness of Rotary in our community!

Yankee Doodle Janet!

And the Party just keeps on going.....

Three days later on July 3rd, 60 Rotarians and friends gathered at Jim Schroder's home for a Fireworks show and dinner. Jim's back yard was a sight to behold with tables set in an array of multi colored napkins and sparkling lanterns.

Meanwhile Master Chef Renee was presiding in the kitchen. An enormous buffet featured pulled pork, teriyaki meatballs, potato salad, fruit salad, killer chili beans and the popular Mexican caesar salad.

The guests out did themselves by bringing along a delightful assortment of desserts.

Beer and wine flowed from the bar and then came the highlight of the night - the City of Oceanside's fireworks show which seemed to be bursting right in Jim's backyard! The view of the pyrotechnics from this elevated vantage point overlooking the valley was, as always, breathtaking! Past President

Chuck Ward thought ahead and even brought music to go along with the show! How about that - You CAN teach an old dog new tricks!!

The guests soon left, the cleanup crew got to work, and eventually some very tired but satisfied Rotarians and family members retired at 1:00 AM! Nothing better than Service Above Self!
