Meet Prospective Member Mary Nelson

My work experience goes back to graduating from a high school in Chula Vista and started my career in banking with First National Bank of San Diego on the corner of H and 3rd.

After moving and traveling I maintained my banking career, even in Japan where I started volunteer work helping soldiers do their taxes. Also while in Japan I spent two years working for the Army as a GS4 Secretary in the Personnel Services Dept. When coming back to the states I continued in banking for 15 years then changed careers to the local School District. While raising

my kids and working for the School District and taking a college class each semester I introduced my kids to volunteering where we did Christmas baskets and as they got older volunteering at the American Cancer Society, and other local community events.

After retiring from the School District in 2004, I planned on traveling and volunteering part time but I became disabled which put an end to the majority of my interests, in particular, sports. I did though spend many years prior coaching youth sports.

Presently I am volunteering with the San Diego Human Society, and SMART recovery, a non profit recovery program that is a non-12 step program. I currently host 3 zoom meetings, as well as host a number of social events. I am also working on living a balanced life, saving time for myself.

Update to La Mesa Rotary Club Constitution

Updates to the Club Constitution have been proposed by the Board of Director to add a new Corporate Membership category. Please review the updates located on the Club website at Lamesarotary.com in the Home Page Download Files column.

The club membership will vote on the proposed changes at an upcoming meeting in January.
