Environment

The Rotary Foundation transforms your gifts into service projects that change lives both close to home and around the world. Since it was founded more than 100 years ago, the Foundation has spent more than \$4 billion on life-changing, sustainable projects. The Rotary Foundation helps Rotary members to advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty.

August 24, 2022: Jen Flynn - Mary's House

Mary's House was opened in January of 2012 through the non-profit organization, Giving It Back To Kids. Jen Flynn, a longtime supporter and partner of Giving it Back to Kids, had a dream about opening a home for kids in Da Nang, Vietnam after living there from 2009-2011. Jen named the home after her grandmother who inspired her to travel, learn, and experience life to the fullest.

Human Trafficking

Come to San Diego, California, to learn more about what human trafficking looks like in our own communities and what we can do to help prevent it. Rotarians throughout our paired zones will develop actionable plans that we can all use to amplify our work as People of Action.

People of Action Summit – Human Trafficking
San Diego, California
October 1, 2022
Register Now!

Human Trafficking worldwide is the second largest criminal activity, second only to drugs. Whether forced labor or sex trafficking, it is in every corner of the United States and your community is not immune to this heinous crime. As Rotarians or members of our communities, we need to be at the forefront of combatting modern-day slavery. Leave with an action plan and a play book for your district or club that will allow everyone to protect their families and community.
