## Prospective Member to La Mesa Rotary – Larry Perna

Hello, My name is Larry Perna. I grew up in Del Cerro/San Carlos and currently reside in Ocean Beach. I attended Patrick Henry High School and graduated from San Diego State University with a BS in Finance and minor in Political Science.

My professional career spanned over 30 years in the transportation industry, beginning with a family owned business in San Diego which I began working in while in high school in the mid 1970's and inherited upon my father's passing in 1991.

By 1998, we had grown from 3 employees in the beginning to 125 and in order to further prosper in an ever changing industry, we merged with a family friend who was in the same business in Orange County. I became his VP of Human Resources and by 2008, the company had over 700 employees in two states.

That career ended in 2013, and real estate became my passion. My broker, Christie Talbot and I are a two person team that provides a high level of personalized service to all of our clients throughout San Diego County.
