Marti Martin Helix Water District

WE SERVE A POPULATION OF 270,375 Helix Water District provides a safe and reliable water supply for a nearly 50 square mile service area that includes the cities of La Mesa, Lemon Grove and El Cajon, the Spring Valley community and areas of Santee, Lakeside and unincorporated San Diego County. Helix is a special district -- a not-for-profit, local government agency -- and our history dates back to 1885 and the building of the flume that delivered water from Lake Cuyamaca to La Mesa. We are governed by a five member board elected to four year terms by the communities they serve.

MISSION STATEMENT

Helix Water District is a progressive industry leader, providing high quality water, through an efficient and reliable system. Our innovative and dedicated employees and Board members maximize human and technological resources, while providing superior service to our customers and supporting the environment for a sustainable future.

WATER CONVERSATION

The average per capita water use of Helix customers is 92.4 gallons per day and Helix is in compliance with the State of California's 2015 mandate to reduce district water use by 20 percent. Helix offers rebates, audits, classes and information at hwd.com.

EDUCTAION

Helix's board is committed to educating students about water and conservation with school assemblies, treatment plant tours, contests and scholarships.

Rotary Float

Watch for the Rotary Float during the New Years Day Rose Parade! The 2017 Float promotes and celebrates the 100 years of The Rotary Foundation. The Foundation empowers Rotarians to travel throughout the world and create and complete projects which serve people in need in six areas of focus which are: promoting peace, fighting disease, providing clean water, saving mothers and children, supporting education, and growing local economies. The spectacular and colorful dragon is clearly a world traveler carrying luggage decorated with the six symbols of the areas of focus. The Dragon also is proudly wearing a necklace with a medallion marked 100 for the 100 years of service

In 2017 all of Rotary will celebrate the 100th birthday of Rotary International. Can you celebrate within your own club? Yes, but why not actually be there in Atlanta with all the other Rotarians from around the globe to celebrate together as one family.

In the last 100 years, Rotary has become a powerful moving force for giving the help that makes lives around the world more tolerable and provides hope for something better. It is a reason for all of us to gather at the convention to share with each other the reason for being Rotarians and celebrating our many achievements as an organization.

The Rotary Foundation's 100th birthday party is open to all of us and will be held June 14. You won't want to miss it.

Do you have a copy of *Doing Good in the World*, the story of the Foundation's first 100 years? Do you plan to buy in the House of Friendship? The author, David Forward, will hold a book signing at the convention. As for how the Foundation became a global leader in humanitarian service, the Rotary Foundation Centennial exhibit at the House of Friendship will tell the story.

This is an opportunity that will come only once in our lifetime. Join us in Atlanta; Celebrate with us!
