Lemon Grove Sheriff Department

The large monument of a lemon has attracted people to the center of the city since 1963. From the agricultural roots of a dairy farming community, through the evolution to a large citrus ranch, to the busy small city of today, Lemon Grove residents have enjoyed the bragging rights of having the "Best Climate on Earth" for years.

The Sheriff's Department has been providing service to the city of Lemon Grove since 1977.

Thirteen deputies, two detectives, three traffic investigators, two sergeants and one Lieutenant provide direct services to the population of 25,320 residents who reside in the 3.6 square miles that make up the city. The contract also affords the city access to other specialized investigations as needed. Lemon Grove is situated on one of the busiest trolley lines in San Diego. The trolley affords the residents great public transportation opportunities to many destinations to the west including the college district, Old Town San Diego and the Gas Lamp area. The Lemon Grove Substation also works very closely with MTS enforcement to help provide safety to our mass transit visitors.

The staff at Lemon Grove understands we cannot stop crime from occurring on our own and actively seek opportunities to partner with or communities to find long lasting safety solutions. We use an Information Led Policing model to put our deputies in the right place to interrupt crimes in progress and use a proactive crime prevention model to get the word out to the community about crime trends and community concerns. Lemon Grove Substation is also proud to have a robust Senior Volunteer group who handle vacation checks, YANA (You are not alone) checks and high visibility community patrol.

Fill A Bag, Feed A Child

President-Elect Dani Womack and Crosspointe Life Church are once again leading the charge on the *Fill a Bag, Feed a Child* campaign for this fall. This is a great opportunity to help others that are less fortunate.

You can help out by bringing some of these non-perishable foods to lunch on Wednesday and Dani will take them back. These bags will be given to students in the La Mesa school district who get their main meals at school. They are asking for the following non-perishable type foods:

Cereal	Oatmeal	Pancake Mix	
Peanut Butter	Crackers	Rice	Beans & Franks
Pasta	Spaghetti Sauce	Chili	
Hearty Soups	Granola Bars	Snack Mixes	
Box Dinners	Mac & Cheese	Beans
