DIST 5030 USO SAN DIEGO

Lorin Stewart – CEO

The USO strengthens America's military service members by keeping them connected to family, home and country throughout their service to the nation. The USO proudly serves active duty, National Guard, reserve and the families of the Army, Marines, Navy, Air Force and the Coast Guard.

The USO offers many programs for military personal including Deployed Spouse Group, Community Chest, Community Outreach, Families of the Fallen, Feed the Heroes, Giving Tree just to name a few.

There are countless ways volunteers support USO San Diego! Whether you are volunteering at a special event, welcoming home service members, manning the front desk or providing a listening ear, your efforts are the reason service members and military families know USO San Diego is always by their side.

USO San Diego also schedules tabling opportunities within the military and civilian communities. These provide USO San Diego a chance to share our message of lifting the spirits of the military, and what free programs are available for them, and which need the community's support. We are always in need of people who would be willing to represent USO San Diego at events such as Speed Fest at Coronado, the Air Show at the Marine Corps Air Station Miramar, and many others
