Climate Reality Project

I would like to inform you that Climate Reality Project is organizing 24 Hours of Reality this coming weekend. As part of this global educational effort, Climate Reality Leaders are invited to give presentations on the importance of understanding the issues and solutions of climate change and why we need to care about the environment and our impact on it.

I would like to invite you to join the following presentation by Gina Woodard, a Rotarian of the Chula Vista Sunrise R/C, member of the DES committee and Climate Reality Leader:

Saving the Earth Starts With Us October 11, 7 pm (PT)

You can learn more about this presentation and RSVP on Eventbrite.

If you can't make it to this presentation, you will be able to find many other presentations as Climate Reality Leaders are joining from around the world to educate people. The 24 Hours window has even been extended to 144 hours! Here is a link to a list of virtual presentations if you can't make to the one I invite you to join.
