## Abraham Muheize San Diego Kings Basketball

### About The SD Kings

The **San Diego Kings** are a professional basketball team playing in the American Basketball Association (ABA).

Started by San Diego's local entrepreneur and philanthropist **Abraham Muheize**, who is partnered with the top Accident Attorney in San Diego, **King Aminpour**. The Mission of the San Diego Kings is to provide a high level of sports & entertainment for San Diego and the surrounding communities. Also, focusing heavily on getting involved in all communities to become the marquee professional team for San Diego, replacing the recent exit of the former San Diego Chargers.

As a team playing in the American Basketball Association (ABA), we are dedicated to representing the ABA with class, integrity and sound business practices.

Our off-the-court continued goal is to enrich the lives of San Diegans and our student athletes, by providing life development skills, inspiration and opportunities to further their educational development through the game of basketball. It is the goal of this organization to get involved in every community possible through out San Diego, "Winning in the community, before winning in the gym."
