U.S. Census Bureau

Alejandro Aguilar

Hello, my name is Alejandro Aguilar and I am a part of the 2020 Census Bureau under the department of commerce of the United States. As you may/may not know, our country will go through a complete count of the nation's population in the year 2020. This event happens once every ten years. My main mission is to ensure that everyone is counted once, only once, and in the right place. It is imperative to participate in this event to ensure the allocation of funds in your area from the 875 billion dollars that the government will provide towards special programs, schools, healthcare, and innovative city projects. This census will also dictate the reapportionment of congressional districts and may increase the electoral votes in your designated state. I address all of you, proud Americans, to bring the call to action and represent our country by becoming a part of the future that will lead the United States to a better tomorrow. The information below will explain how Alpine Chambers of Commerce would be of great importance to Complete Count Committees.

In every census, there are certain socioeconomic and demographic factors that include age, housing status, and language that can influence the general population self-response. The traditional socioeconomic and demographic factors that have tended to correlate with lower levels of self-response in the past have included:

Lunch Time Service Opportunities

January 8, 2020

Greeter	Tim Miller

U.S. Census Bureau Alejandro Aguilar

- *People of color
- *Low-income or no-income households
- *Populations under 5 years of age
- *Homeless
- *Linguistically isolated households
- *Frequent movers
- *Large households
- *Single-parent households
- *Foreign-born residents
- *Low educational attainment households
- *People who distrust government authorities or could be targets of law enforcement

For the first time the 2020 Census will be allowing self-response online. In the past certain socioeconomic and demographic factors have influenced response rates, these factors have included older residents, households without computers and/or homes with inadequate access to the internet. You will want to reflect on your community and decide what factors will have an influence on participation, if you would like to have additional information of what the different types of self-response is please feel free to reach out to me.

Join us for an evening of Southwestern Food, Fun, and Fellowship!

Mission Valley Sunset Rotary Club invites you to join us for Host Hospitality Night on Wednesday, January 22, 2020 at 6:00 PM. Our Mexican theme dinner and entertainment will take place at the Seven Seas Restaurant (part of the Best Western Hotel) in Mission Valley. Dress is casual—no need for a tie—time to relax and enjoy our San Diego friendly atmosphere with a Rotary Fiesta!

You will enjoy a Mexican buffet with a variety of favorite foods of our area and entertainment by a local Mariachi band playing music of the Mexican culture. This will be the last time we have a chance to participate in the Rotary International Assembly Host Hospitality Night since the International Assembly will move to Orlando, Florida beginning in 2021.

We hope you will be able to join us for the International festivities! Cost for Rotarians is only \$20.00/person which includes dinner with coffee or tea. Please bring cash or a check (made out to Mission Valley Sunset RC)—we don't have the ability to take credit cards.

If you have questions, please contact Host Hospitality Chair, Marge Cole, 619-335-0590 (cell) or marge.cole@yahoo.com Please RSVP by January 15, 2020.
