California Air Patrol

David Wallace

Since Civil Air Patrol's formation during the earliest days of World War II, this vigilant organization of citizen Airmen has been committed to service to America. Founded on Dec. 1, 1941, as a way to protect the nation's shorelines from invading German U-boats, CAP has evolved into a premier public service organization that still carries out emergency service missions when needed — in the air and on the ground.

As a Total Force partner and Auxiliary of the U.S. Air Force, Civil Air Patrol is there to search for and find the lost, provide comfort in times of disaster and work to keep the homeland safe. Its 56,000 members selflessly devote their time, energy and expertise toward the well-being of their communities, while also promoting aviation and related fields through aerospace/STEM education and helping shape future leaders through CAP's cadet program.

Civil Air Patrol's missions for America are many, and today's adults and cadets perform their duties with the same vigilance as its founding members - preserving CAP's 76-year legacy of service while maintaining its commitment to nearly 1,500 communities nationwide.

La Mesa Rotary Club Picture

Wednesday, December 6th we will be taking an official Club Picture during our normal Wednesday lunch. It has been years since we have had an official club photo taken! President Jack has requested that all men wear a sport coat and no tie. He said the women always look great so come as you are!

We would love to have 100% turnout for the club photo! Please be there!
