Dictionary Project Mike Fellows

1. During the regular meeting and for the program this week we will be organizing the dictionaries for distribution to La Mesa Spring Valley and Lemon Grove schools. We will be delivering to all third graders over the next several weeks

2. Please bring all small and medium boxes that you may have for boxing the dictionaries.

3. We will be applying the 4 way test stickers prior to boxing.

4. I will be handing out instructions and information to all Rotarians who volunteered to deliver the school dictionaries.

5. This is a HIGHLY rewarding experience to deliver dictionaries to all third graders, and for all new volunteers, it is very easy.

I look forward to seeing all La Mesa Rotarians this Wednesday for a great day of fellowship and fun "work". My sincere thanks to Ray Aguilar of Aztec Landscape for having the dictionaries delivered.

Together we accomplish GREAT things.

Thank you to everyone that came out Saturday morning to help build the 100 bikes we are giving to the 2nd and 3rd graders! We could not believe how fast we were able to get 100 bikes done! Many hands make for light work!
