Camp Hope – Rotary International Global Grant

Since 208 StudentReach staff, volunteers and donors have helped build 80 permanent homes in the region for 80 families living without safe and healthy housing. WE have seen lives and now generations be changed for families that we build for.

In 2016 StudentReach decided to put down roads and send Karl & Sherry Hus to establish a center that would serve Baja. WE dreamed it would facilitate our hard-working volunteers as they spent weeks building homes for families in need. We also hoped it would help launch our award-winning youth programs in Baja to serve at-risk youth in the region.

Come hear more about the great work they are doing in Baja and more about their new Global Grant!
