La Mesa Culinary School

Why National Culinary School?

National Culinary School has worked hard to provide only the highest quality culinary training which gives our graduates the knowledge and skills that help to make our job placement assistance program very successful. We are dedicated to our students and our school, which is why we have made it our mission to offer a prestigious culinary program at an affordable cost.

Our program develops a solid foundation starting from basic to advanced techniques of culinary arts, bakery and pastry arts. We emphasize the importance of food taste, presentation, nutritional value, high-end learning techniques and food costs.

Take a look at our programs and let us know how soon you want to start working in this #1 growing industry. Our students are passionate about the craft and are eager to dive into the culinary world. Our graduates are in demand and will be welcomed by the industry for job placement due to the recognized quality of their education.

Youth Exchange Applications Now Being Accepted

District 5340 Youth Exchange Committee is now accepting applications for the 2017-2018 year for its Long Term, Short Term, and Summer Camp student exchange programs. The exchange programs offer high school students between the ages of 15 and 18 1/2 years to participate in the experience of a lifetime by living and studying abroad. Youth exchange offers students the opportunity to live abroad, experience new cultures, languages and tremendous personal growth and development.

Rotary club YEOs and Youth Service chairs are encouraged to share this information with local high school counselors and Interact program chairs. For further information, contact Joe Ramirez, District 5340 Youth Exchange Chairman. His email is: carlsbadrotaryexchange@gmail.com

4-Way Speech Contest

I wanted to let everyone know that we are planning on holding our annual 4-Way Test Speech Contest on February 22. This is always one of the more interesting programs during the year and it is also one in which we can directly impact teenagers in the La Mesa area by helping them understand and live by the selfless principals outlined in our 4-Way Test. However, in order to have the most entertaining program possible, I need your help in finding and recruiting high school students to participate!

Below are a few items that summarizes the event and what would be expected from participants:

- Contest is open to all high school students.
- Topic of speeches are student's choice. However, the speech must show clearly the practical application of all four points of the Rotary Four-Way Test.
- Contestants may use 3x5 note cards during speech
- Length of speech must be between 5 and 7 minutes
- Prizes at our club level: 1st-\$100, 2nd-\$75, 3rd-\$50, 4th-\$25

If you know of any potential contestants please pass along this information. I have also included a packet that contains details for the contest. If you have any questions, please feel free to reach out.
