Cindy Goodman Rotary International Fellowships

Rotary Fellowships are independent, social groups that share a common passion. Being part of a fellowship is a fun way to make friends around the world.

How do I join a fellowship?

Fellowships are open to Rotarians, family members, and program participants and alumni. You can contact a fellowship directly by using the information listed in the [Rotary Fellowships directory](#). Or search our [discussion groups](#) to find Rotary and Rotaract members with similar interests.

How do I form a fellowship?

Start by finding others who share your interest.

- [Join a discussion group](#) or [start a new one](#). It's a great way to share your interest with other members.
- Use Rotary's presence on [Facebook](#), [Twitter](#), and [LinkedIn](#) to promote your idea.
- Ask your district Rotary Fellowships chair for assistance. Reach out to district Rotary Fellowships chairs in other countries to build membership by [emailing us](#).

Be sure you meet the criteria for a fellowship and apply for official recognition.

Jenny Flynn – Grotarian Meeting

Jenny's Grotarian meeting was Friday March 3rd at her home in South Park. There were about 15 Rotarians in attendance. Everyone talked about what a great time they had. These are the best opportunities to really get to know our newest members on a personal level.

There was great discussion about our clubs involvement in RYLA and the upcoming District Training Assembly!

La Mesa Rotary

CAT Update

On February 24th, 25 students of the CAT team at LMAAC took a field trip to the Ronald McDonald House to do some volunteer work. We brought small bags with craft supplies and some instructions teaching how to make Emoji Pillows. When we first arrived, we set the boxes of bags aside and began to help by cleaning windows, vacuuming, sweeping leaves away and cleaning the parking garage (litter). Around lunchtime, we handed out the bags and they were accepted very well! Almost every person got a pillow that they could make for or with their kid, and we even made some of the pillows with the kids there!

On March 3rd, we took a small trip to SDSU, walking and taking the trolley. At SDSU we toured some classrooms, ate lunch in the food court and checked out their theater and computer lab. It was a great educational experience.

In our Secret Garden we are planting many different vegetables in a separate fenced-off segment, such as tomatoes, carrots, green beans, peppers, and cilantro. When they grow, we hope to use them in our school cafeteria. Mr. Ashman has been donating seeds, plants, fencing, and much more. We are so grateful for all of his help. Thank you!
