ADL San Diego has been the leader in fighting anti-Semitism, and bigotry of all kinds, for over 40 years in America's Finest City. We are proud to serve San Diego and Imperial Counties with our unparalleled expertise in the fields of investigating and monitoring extremism, anti-bias education, and communal security.

Each year, ADL San Diego:

- Serves tens of thousands of local students, educators, and parents through our award-winning education programs, like No Place for Hate®, designed to reduce bias on campus.
- Is on forefront of training local law enforcement in Managing Implicit Bias, designed to reduce the influence of bias on interactions and decision-making, improve police-community relations, build mutual respect and trust, and increase overall safety for officers and civilians.
- Responds to hundreds of anti-Semitic incident reports from community members, working to help victims in the aftermath of hate.
- Provides local Jewish institutions with security briefings and best practices for safety in an effort to keep all members of the community safe from acts of hate.
- Builds coalitions with partner organizations throughout San Diego County to find meaningful solutions to important issues facing our diverse communities.
