FLOWER HAVEN

Community Information

Little Flower Haven is an assisted living facility in La Mesa, CA. Little Flower Haven offers activities at their location for residents. These activities generally allow residents to maintain healthy lifestyles by encouraging movement and socializing with their peers.

Being able to chat with other residents becomes an important part of many peoples' lives and Little Flower Haven offers common spaces indoors to support that need. The benefit of living in an assisted living community is that making meals can be costly and time consuming process so Little Flower Haven provides meals for residents.

Staff is awake and available 24 hours a day so if any emergencies occur no matter the time, there will be someone ready to help. If a resident needs assistance moving from a bed to a wheelchair, this facility has staff who can help.

Unique Features

- Arts & crafts, planned social, recreational, and educational activities, including field trips to local area sights/events, in-house movies on a large screen television, music and entertainment. BBQs are frequently held outdoors. Current residents are very fond of bingo.
- The community has an impressive garden area with walking ramps so residents do not have to use stairs. Also: large auditorium, activities room, full-service beauty & barber shop, and a lovely chapel with stained glass! Catholic services held daily, 3:30 - 4:30 pm. Mass is conducted daily in large chapel; Mass on Sundays attended by the public as well.
