### Rotary Global Grants Clementa & Mark Frederiksen

Global grants support large international activities with sustainable, measurable outcomes in Rotary's [areas of focus](#). By working together to respond to real community needs, clubs and districts strengthen their global partnerships.

Read [A Guide to Global Grants](#) for detailed information on planning your project, applying for a grant to fund it, carrying it out, and reporting on your progress and outcome.

#### What global grants support

Global grants can fund:

- Humanitarian projects
- Scholarships for graduate-level academic studies
- Vocational training teams, which are groups of professionals who travel abroad either to teach local professionals about their field or to learn more about it themselves

#### How they're funded

The minimum budget for a global grant project is \$30,000. The Foundation's World Fund provides a minimum of \$15,000 and maximum of \$200,000. Clubs and districts contribute District Designated Funds (DDF) and/or cash contributions that the World Fund matches. DDF is matched 100 percent and cash is matched at 50 percent.

#### Qualification

Both the district or club in the country where the activity is carried out and the international partner district or club must first become qualified before applying for a global grant. Learn more about the qualification process. Your club and district Rotary Foundation chairs can help you plan how to use your District Designated Funds and learn how to qualify your club.

## Help collect School Supplies

I still see only three deals. Maybe later there will be more. 70-page spiral-bound notebooks are available at these stores for 25 cents. If your choice is between "college ruled" and "wide ruled", select wide as K thru 3 use wide and 4-5 use college ruled.

Staples - limit 30

Office Depot - limit 6

Walmart - I think no limit

Target has mixed signals.

The Target in Mission Valley sold me 40 for 25 cents this morning, no problem. Kearny Mesa Target tried to charge me 89 cents yesterday and today. I had a hassle to get them for 25 cents. Target's Sunday, July 8, ad said "Low all season 25 cents" on a picture of the notebook.

Next is picture of a box of "classic colors" crayons. If they are really available for a quarter, buy them. I won't be back to Kearny Mesa. Apparently a "season" at Kearny Mesa is two weeks. Kearny Mesa has a pallet of about 50 cartons of 48 count notebooks. The cartons say "70 ct", but there are only 48 in each carton. They won't sell many if they are 89 cents each.

The other two deals are at Dollar Tree. One is a glue stick- pack of 8. The other is Jot brand filler paper- 200 sheets. Wide ruled preferred. Both \$1.00
