Conrad Kress & Mike Charbonnet Beyond the Teams

Beyond the Teams is a group of former Navy SEALs - all proud grandfathers - who've teamed up to undertake a new kind of mission. Together, we conduct fund-raising events for organizations and causes that help people with physical disabilities, cultural disadvantages and practical needs going unmet because they're the "little guys."

We conducted our first mission in November, 2019 - a 1,000 mile bicycle ride from the SEAL Heritage Center in Virginia Beach, VA to the UDT - SEAL Museum in Fort Pierce, FL. We raised over \$60,000 for VIP Neuro Rehabilitation Center (a non-profit rehab center for people suffering from neurological injuries, conditions, and diseases).

Successfully completing our first mission has brought more former SEALS out of retirement and we've added another person to our Board and 10 additional old Frogmen are interested in teaming up with us for future missions.

2020 has been a strange year. Two of our missions for 2020 (both long paddling missions) have already been postponed until 2021.

We are currently training for the one remaining 2020 mission - a bike ride down the West Coast from north of San Francisco to San Diego.

New Member Application

Ryan Barnhill

Raised in Albuquerque, NM, he studied at the University of New Mexico, which awarded him a BA in Entrepreneurial Studies and a dual MBA in Operations Management and Management of Technology.

Out of college he opened a set of restaurants across the southwest. After a few turbulent years, he realized that he would rather use his education and skills to help others achieve their dreams of financial freedom. He has since earned the Accredited Asset Management Specialist (AAMS®) designation, and now runs his Edward Jones financial advisement practice in the La Mesa area.

Together, with his wife, Heather, they now live in San Diego. They have a miniature dachshund named Kona and will continue to grow their family here in Southern California.
