Larry Scott

8/13/1929 - 8/17/2019

The passing of Larry Scott takes with him a bit of each of us that knew him. From my association with Larry, that dates back to 1983, it appears that he had a full and admirable life. He had a twenty four year active military career that included serving naval air in Vietnam, being attached to the White House, the Blue Angeles and recruiter for west Texas. After retiring as Lt. Commander, his business management skills served him well, including several automobile associated ventures.

He found another calling when he joined Rotary. Most Rotarians got to know him when he joined Escondido Rotary in 1976 and then the La Mesa Rotary club in 1983, serving as club president in 1994-95 and district 5340 governor in 2002-03.

Stewart True – MAZE

Stewart True is a skilled illusionist and entertainer with years of experience in a variety of performance arts, both on and off the stage. Stewart has been a friend of MAZE ever since he first experienced the show at the University of San Diego. After spending a year serving with a children's orphanage in the Peruvian jungle, Stewart joined the Maze team as a magician and technical arts specialist in 2014.

True is the proverbial “man behind the curtain” creating and directing the light, sound and video experience seen on the Maze stage. In addition to his technical role, True is creating a unique Maze show, specifically for elementary school students.

MAZE is a mystery performance piece that has traveled the world, the Maze has bewildered audiences for the past decade with it's unique and innovative approach to entertainment. Magician Jim Munroe founded Maze at the turn of the century. The Maze is now comprised of magicians Brice Harney, Stewart True and Jacob Demman.
