La Mesa Rotary Club Assembly

Club Assembly is a great nuts-n-bolts meeting where different club members discuss projects they are working on or will try to give us updates on club information!

Our club has a lot going on with District & Global Grants as well as sponsoring students with International Grants.

Also, are you able to log into Club Runner and view the Club Directory? We will walk you through that and some other online options you may not know about.

There will be more updates from Board of Directors as to what to expect in the coming months as well!
