This Week's Program Oasis Lifelong Learning Center

Interested in learning guitar, picking up a new language, joining an exercise or acting class, or diving into Anthropology? All of that—and much more—is available through the Oasis Lifelong Learning Center at Grossmont Center, where we held our weekly meeting today. Oasis is a 501(c)(3) nonprofit dedicated to helping adults 50+ continue learning, growing, and staying engaged throughout life. Membership is free for anyone aged 50 or older.

The center offers an impressive range of opportunities, including in person and online classes: Lectures and discussion groups, technology training, local and international trips, Performances, and an intergenerational tutoring program that pairs adults with elementary students.

Brandon Harding, Director of Lifelong Learning, provided an overview of Oasis and its mission. Monserrat Callejas, Technology Learning Specialist, shared details about their small-group tech classes (limited to seven participants) and her popular 30-minute one-on-one tech consultations, available for \$15 per session. One of Oasis's signature programs, the elementary school tutoring initiative—has been running for 35 years and partners with ten local school districts. Michelle Irby, Director of Intergenerational Programs, explained how volunteers support literacy development through weekly 30-60-minute sessions using Oasis's curriculum. The program currently has 287 volunteers serving 423 students, with additional students on a waitlist. Volunteers are greatly needed, and the impact is profound: increased confidence, improved reading skills, and meaningful relationships.

Oasis also offers travel opportunities through Daytripper, Collette Travel, and AFC Vacations, giving members a chance to learn while exploring new places.

FALL CHARITABLE GIVING CAMPAIGN - Deadline 10/31/2026

The Rotary Club of La Mesa, California, Foundation (the "Foundation") is proud to support deserving programs in need through its Charitable Giving Program. Through the generous contributions of community members and members of the La Mesa Rotary Club, the Foundation offers semi-annual donations following a review and approval process for each Charitable Giving Request submitted to the Foundation by the Rotary Club of La Mesa. The following are the Foundation's guidelines for Charitable Giving Requests. The Foundation reserves the right to waive, amend or supplement these guidelines at any time or as circumstances may require.

1. Charitable Giving Requests may be made be submitted by any person on behalf of a charitable organization qualified as a charitable entity under Section 501(c)(3) of the Internal Revenue Code.
2. Each Charitable Giving Request must be accompanied by a separate letter from a member of the La Mesa Rotary Club who shall serve as the sponsor for the Request. Each sponsor letter shall specify why the Foundation should consider the Request.
3. Each Charitable Giving Request shall specify how the charity will use the funds being requested.
4. The combined amount of Charitable Giving Requests submitted by any one charitable organization during each fiscal year (July 1 through June 30) shall not exceed the sum of \$1,000.00.
5. Each Charitable Giving Request must contain the organization's federal and state tax identification numbers.
6. Each organization must be able to attend a La Mesa Rotary Club meeting via a representative for the purpose of receiving the donation, as subject to the deadlines set forth below.
7. Charitable Giving Requests will be provided to the Foundation through the La Mesa Rotary Club.
8. The Foundation will duly consider Charitable Giving Requests recommended by the La Mesa Rotary Club. However, the Foundation reserves the right to increase, decrease, deny, approve, or place any limitations or restrictions on any Charitable Giving Request.

The La Mesa Rotary Foundation was created as an Internal Revenue Code Section 501(c)(3) Foundation to accept donations to support the work of the La Mesa Rotary Club. The La Mesa Rotary Club supports activities to benefit underprivileged, elderly, children, and world-wide projects. Evaluation of competing applications to determine which activities will be funded and the amounts shall be based on "impact": Relative Impact. Preference shall be given to activities that will be significantly impacted by the amount of the contribution. For example, a contribution of \$1,000 to an organization with a \$25,000 budget has more impact than one to an organization with a \$1,000,000 budget. Impact might, however, be assessed on specific projects within an organization. Local Impact. Preference shall be given to projects that specifically benefit La Mesa and East San Diego County. Organizations that serve East County shall be given preference even if the organization is located elsewhere.

Member Impact. Preference shall be given to projects in which La Mesa Rotary Club members have invested substantial time and treasure. All submissions need to go to Kathy Olsen, Chair of the Community Giving Committee at kolsen@rcpblock.com by October 31, 2026

Visit to the United States District Court for the Southern District of California (CASD)

Friday, November 13, 2026, 8:30 am to 12 noon.

<https://www.casd.uscourts.gov/judicial-learning/>

District 5340 Rotarians and guests are being offered a unique invitation to visit the federal court in San Diego, observe criminal court proceedings and then discuss the process with United States District Judge Janis Sammartino. Judge Sammartino has served on the federal bench since 2007, prior to which she was a San Diego Superior Court Judge. Judge Sammartino chairs the Community Outreach Committee for CASD and has also served in this same role for the 9th Circuit Court of Appeals.

Following the in-court observation and presentation, Rotarian Kathleen Walford will take us on a guided historical walking tour of the Federal Judicial Center which encompasses three buildings on the downtown campus.

Because we will be observing an actual criminal calendar, we will need to gather downtown at the corner of Front St and Broadway by 8:30 a.m. to get through the screening process. Because most people don't like to drive downtown, and parking is always a challenge, you may want to consider ridesharing or utilizing the San Diego trolley and exiting at the America Plaza stop and walking one block south to Broadway.

Following the tour, you will have access to the many nearby eateries if desired. There is no cost for this opportunity other than optional trolley tickets, parking and/or lunch. However, there are a limited number of spots available and you **MUST** RSVP with your name, guests' name & club name to Kathleen at the-walford-astoria@cox.net no later than November 6 if you plan to participate in this event. You will need to bring your ID with you to get through security at the courthouse. The less items you bring, the easier it is to get through security. **NO PHOTOGRAPHY IS PERMITTED IN THE COURTROOM!** Any additional questions or concerns may be directed to Kathleen at the email address above.
