MEETING AT POPPET HEAD KITCHENER

Good show up of members . Some of us went for a walk around the dam which was just simply exceptional. I have been to the dam but never around it before. It is really a must to do. Some of our walkers went a bitt too fast but I was left with thre ladies that I could keep up with. So there are only President Vicki, Carol and Lorraine in my photos. When we arrived back at the meeting spot we were treated to a fantastic meal prepared by President Vicki. I am certain that everyone was delighted with the meal and deserts at the end. We all brought along our drink of preference and it proved to be a great friendship meeting. Just as we were about to leave we were presented by the most beautiful sunset and some rain as we were leaving. There was also a bit of a catastrophe with Tony Mak pulling his hip out of place and the ambulance taking him to hospital. But next day I picked him up from the new Metford Hospital. He is back to normal and smiling again.

POPPET HEAD KITCHENER MEETING

KAYE CARVER'S BIRTHDAY PARTY

Kaye Carver invited our club members and lots of her friends and relatives to celebrate her 75th Birthday. It was a very entertaining party all round. We were treated to a fantastic dinner and sweets plus the entertainment that would be hard to beat anywhere. Peter, Kaye and their friendly musos were just so nostalgic to listen to. Their is simply so much talent in all the members that performed for Kay's guests. Peter sang some of his songs that we are all familiar with and Kaye at the keyboard was just faultless all night. The band just kept up song after song and nobody wanted it to end. Thank you Kaye and Peter for a very entertaining night amongst lots of friends.

Three day event at Tocal College to be discussed. This will be a big commitment

The Feeding the Needy at the back of Allira House Op Shop has grown a lot. We were catering for four or five people when we started this project and last week we served between 50 - 60 people. This project and the Scone Time at Marthaville Cottage is an attempt this year to focus on "Doing something for the Community" and not just Fund Raising.

Two happy snaps of the week. One from the Poppet Head meeting & three musos at Kaye's Party
