"The more you read, the more things you will know. The more that you learn, the more places you'll go."

Dr. Suess, "I can read with my eyes shut!"

What is Rotary in education?

Rotary projects and activities help to give children access to an education for the very first time. We build schools, we supply books and computers for classrooms and we train teachers.

Tickets are open in our Rotary 100 Club For only \$2 , you get a chance to win \$100 , just like Katie Lawson did in August
This is an online fundraiser, contact Graham here or Text 0414842327
Rotary thanks you for your support.

CESSNOCK ROTARY BIKES FOR KIDS

This is our latest project from the Rotary Club of Cessnock

Sponsored by the Cessnock Bicycle Company

Cessnock Rotary is about to release its latest Project

- Recycled Bikes for Kids

In the first instance we need bikes to be repaired

- Do you have an old bike sitting in your garage/ shed that you no longer use?

- You might see a bike dumped somewhere

Rotary can collect and put to good use

- We fix up donated bikes and give to those kids in need of a bike

Thank you to the Cessnock Bicycle Company who are sponsoring this project

Please note we do not have any bikes right now , however you can put your name down

- we are also looking for volunteers

to help restore the bikes- u can be trained in this role.

Last Tuesday we had our first lunch for the vulnerable people in our community at the Rugby League Car Parking area. It wasn't very well attended but it was a start to something that may become more popular as people start to find out about this new Cessnock Rotary initiative. Next Tuesday will be our second trial and it will again be in the car park from 12 - 115pm. Last week we had three new friends of Rotary to help us with the meals - Penny McNaughton, Liz Lamb and Wendy Harrop. We would like to thank all three ladies and hope to see you again. Eventually it will be in the TAFE park.

FUTURE EVENTS

Club meetings are Thursdays 6pm for 7pm start at the Cessnock Leagues Club

Please note that President Vicki will notify about future meetings and venues.

2CHR (Central Hunter Radio) is a community radio station based in the Hunter Valley, New South Wales, Australia.

The station serves as voice media for the community of the Central Hunter area. It is operated completely by volunteers from the non-profit organisation - Central Hunter Community Broadcasters Inc.

Sponsorship and Membership are welcomed and actively sought as the powerhouse of the station.

The station broadcasts from Bimbadeen near Cessnock on 96.5M.

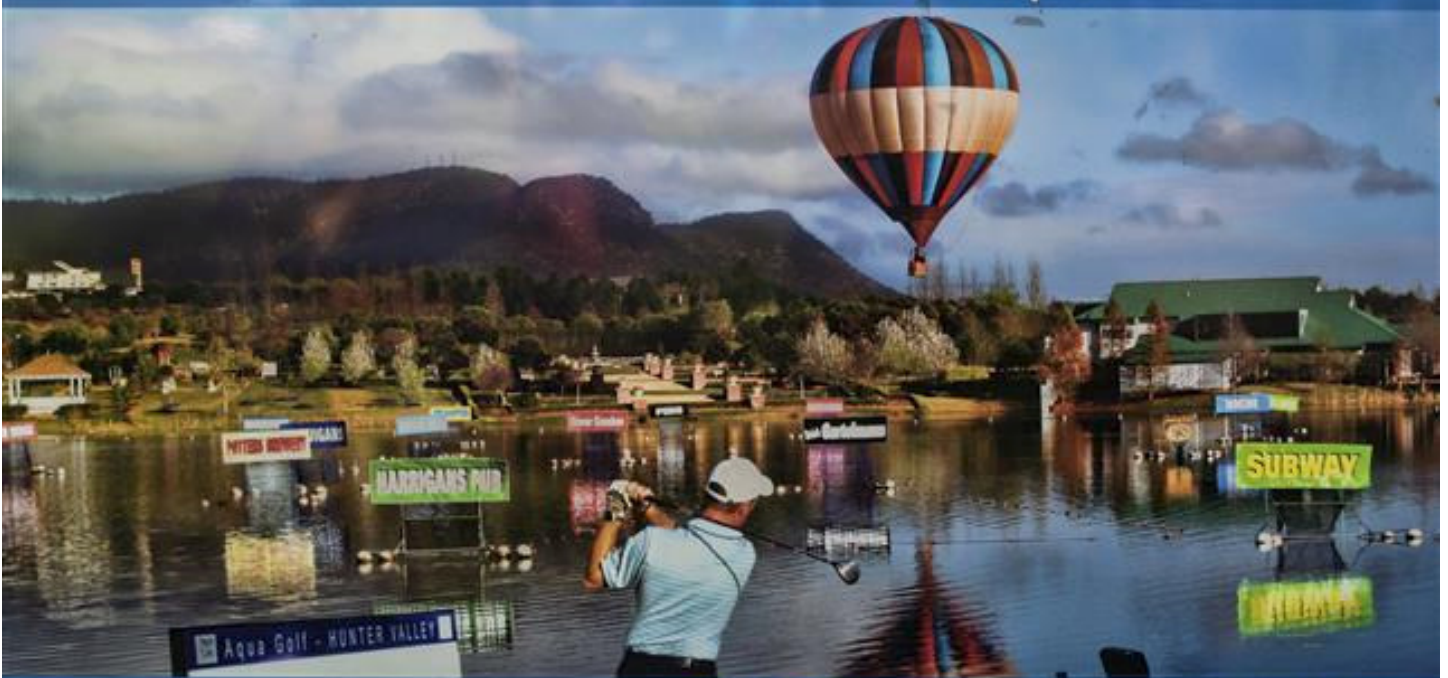

Programs include a wide variety of musical tastes interspersed with hourly News and Weather. There is also pertinent local information and bulletins, regular community notices and many specialty shows of cultural and social interest.

Broadcasts cover an area that includes the renowned vineyard areas around Pokolbin and Rothbury and out to the coal mining and agricultural areas of Cessnock and Maitland as well as historic Wollombi and the Quarrobolong valley.

The Rotary Club of Cessnock is now a sponsor on the station, so listen in and let's hope our message is well received and maybe even encourages some to come along to our meetings.
