CESSNOCK  
DISTRICT 9670**

## APPRECIATION CERTIFICATE

Dear “Bella” and Members of the Rotary Club of Cessnock

This email is to advise that the outcome of my District Governor’s Partner’s Project for 2019-20, Integra Service Dogs Australia (ISDA) has become a reality. Isda and myself are very grateful for the financial and physical support Rotarians across our District have so generously given. In recognition of contributions, our District logo was uploaded to ISDA’s website last year: <https://isda.com.au/>

We are now so proud to say that “Farrell” has commenced duty with a veteran living in the Hunter Valley. If you happen to see Farrell and his handler out and about, please remember Farrell is a working dog, just like a Guide Dog. His coat also displays a Rotary patch, so you will recognize him.

And whilst Farrell is now hard at work, he is also so close to having a mate join him in service.

Please accept the attached certificate as our official Thank You.

Puppy Love from **Isda** and *Sue Hooper*

# FUTURE EVENTS

**Club meetings are Thursdays 6pm for 7pm start at the Cessnock Leagues Club**

Please note that President Vicki will notify about future meetings and venues.

2CHR (Central Hunter Radio) is a community radio station based in the Hunter Valley, New South Wales, Australia.

The station serves as voice media for the community of the Central Hunter area. It is operated completely by volunteers from the non-profit organisation - Central Hunter Community Broadcasters Inc.

**Sponsorship and Membership** are welcomed and actively sought as the powerhouse of the station.

The station broadcasts from Bimbadeen near Cessnock on 96.5M.

Programs include a wide variety of musical tastes interspersed with hourly News and Weather. There is also pertinent local information and bulletins, regular community notices and many specialty shows of cultural and social interest.

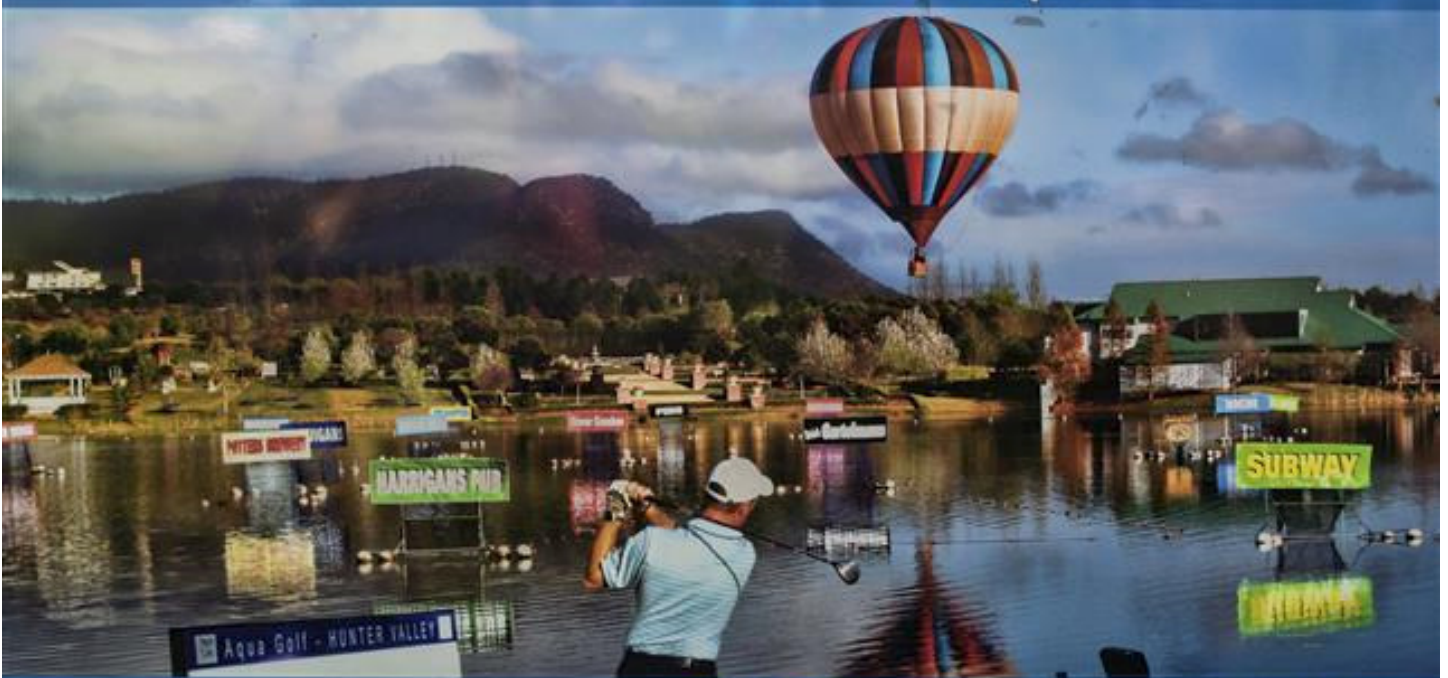

Broadcasts cover an area that includes the renowned vineyard areas around Pokolbin and Rothbury and out to the coal mining and agricultural areas of Cessnock and Maitland as well as historic Wollombi and the Quarrobolong valley.

The Rotary Club of Cessnock is now a sponsor on the station, so listen in and let's hope our message is well received and maybe even encourages some to come along to our meetings.
