

A decorative illustration for a tea party. At the top center, a white teacup with a gold handle and saucer is filled with pink and red roses. Two small yellow and orange birds are perched on either side of the teacup. The background is a light blue sky with several yellow butterflies. The corners of the illustration are framed by lush floral arrangements, including pink and white roses, yellow daisies, and red berries.

first Western Sydney service supporting

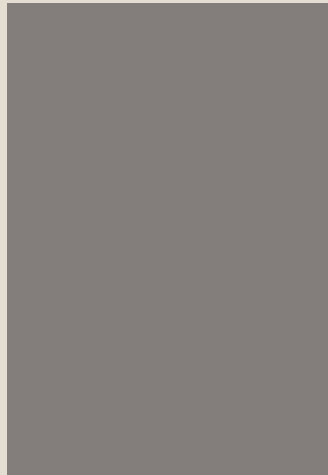

GIFTS FOR GRACE'S PLACE

... to our hosts Archana and Satya Singh for their generosity and kindness in hosting this event just before they leave to return to India.

A huge thank you to Valda Bray for all her organisation for this successful event.
