The Next Fortnight

17th February	Rotary Meeting—7pm Ori Hotel—Frank Ross— Cambodia Trip and Days for Girls
24th February	Rotary Meeting—7pm Ori Hotel— John Fuller—Exchange Students RYPEN and RYLA

Our 3rd of February meeting saw us pack the room as we listened to John Wakefield OAM and now newly donned Citizen of the Year for the Blue Mountains. John has had a very full and experienced life as a Police Officer. John spoke of how he got started in the sport of pistol shooting and all the adventures that entailed.

February 10th meeting we had as guest speakers Inspector Matt and Chief Inspector Peter come and talk to us regarding the need for remote cameras. Matt related some interesting stories as to what some people get up to when they think they are not being watched.

President David also had an opportunity to offer replacements of Matt's Paul Harris Fellowship Medal he lost in the last fire.

Keeping our farmers viable and giving them an ability to survive the lack of rains is in the entire nation's interest.

Tuesday 3rd March

The **Maths Deadlys** is a day of fun activities for the indigenous students and mates from our feeder primary schools.

You say Maths and FUN in the same sentence, well it is true.

Students are in teams and move around the activities competing against other teams. Stations such as Problem Solving, Fast Money (buzzer), Jeopardy (as the name implies) and the Navigator!!!

The atmosphere is electric. You don't need to be a "Maths Professor" as the answers are supplied, BUT you do need to be enthusiastic and just want to have a great day with these kids.

At the Maths Deadlys, everyone is a winner. Come along and join us for 1, 2, 3 or more hours. It kicks off at 9.00 am after signing on and finishes with a BBQ ending by 2.00 pm.

Would love to see you there so let Norm or Cheryl know by 20th February.
