VOLUME 37
Issue 48

28th October 2019

*From President David Rayner
2019-2020*

The past weeks have been busy with meetings, Bunnings BBQ's and the Combined Mountain Rotary Clubs Dinner.

Thanks, must go the Club members who have supported the Bunnings BBQ's even on hot windy days when the gazebo was destroyed, and we ended up with an alfresco style BBQ. We continue to get support from Bunnings for the work we do in providing a service for their customers whilst accumulating funds for the Club.

A big thank you to the team who helped put the combined Mountain Rotary Club Dinner together. The night was a success with several Rotarians asking for this type of function to be a yearly event.

As you know all proceeds from the night will be forwarded to the Rotary Foundation on behalf of all Mountain Clubs. We raised \$737:00 on the night. Our team consisted of: Valda Bray, MC on the night and ran the night with true professionalism. Fred Thompson who proposed the toast to Rotary International and Peter Sparks who responded. The younger ladies of the Club, Margaret, Deana and Rachel for a great job organizing the minor details, however important and selling raffle tickets. Marilyn Kenny for support behind the scenes and the Welcome to Country address. The hardest job of all was well coordinated by Jenny Tomas who managed the negotiations with the Springwood Sportsman Club and Peter Sparks who lost further hair collating the final numbers. Thank you again to all who attended and made this a very enjoyable night.

At the Board meeting on Thursday night several matters were discussed and will be presented to the Club at the next Club assembly night.

A reminder that the two changes proposed to the Board by the Club members regarding the recital of the "4 Way Test" and the attendance numbers system as proposed by Peter Sparks will commence as from the meeting on the 4th November.

This Friday will be the Twilight Markets and BBQ at the Faulconbridge Primary School, without the usual thunderstorm, I hope. Good luck to all Club Members who have given of their time to support this event.

President
Dave Rayner

Fred is one of our Charter members who welcomes us at each of our meetings. He recently celebrated a milestone birthday and we helped him celebrate it with a favourite of his *Valda's bread and butter pudding*, complete with birthday candles. Fred's birthday wish was to attend Question Time. He enjoyed himself very much. Fred is seen here with his daughter Susan, Anthony Albanese MP and Susan Templeman MP.

Our meeting on Monday 14 welcomed two guests—visiting Rotarian Steve Winter, who is a Past President of Taradale Rotary in New Zealand joined us.

He is currently Taradale Rotary Director of Service. Taradale is near Hawks Bay in NZ. Former Springwood Rotarian Warwick Harrison, who is now with Bega Rotary, also joined us for fellowship.

President Dave also talked about his recent visit to Moxey Farm Dairies to celebrate their 100th anniversary of the family milking operations. They started at Richmond in the early 1900s and Dave milked for Mr Moxey when he was at Hawkesbury Ag College in 1971 and 1972. Today Moxey Farm is one of the largest dairy operations in the world.

What is the Rotary Leadership Institute

The Rotary Leadership Institute (RLI) is a multi-district, grassroots leadership development program of member districts organized into regional divisions throughout the world.

The RLI seeks to have Rotary Clubs in member districts identify those Rotarians who seem to have the POTENTIAL for future club leadership (not necessarily as club presidents) and provide those so identified with a quality education in Rotary knowledge and leadership skills for voluntary organizations.

RLI PHILOSOPHY

"Having leadership skills does not alone assure good Rotary leadership. An effective Rotary leader must ALSO have Rotary knowledge, perspective about where Rotary has been, where it is now and a vision of what Rotary can be."

The program consists of three parts which will be held at the District Office in Sefton Road, Thornleigh. Each session will start 8:30 for 9:00 a.m. and should be completed around 3:45 pm. Participants will be supplied with the course materials, morning tea and lunch.
The course costs is currently being covered by District.

The course includes many topics such membership, running clubs, Rotary Foundation, projects, public relations and leadership. This information is covered in an interactive way with facilitated discussions. There can be about 12 - 15 participants at any one time.

This is a great opportunity not only to learn, but also to share your Rotary experiences with others.

So register and help the clubs of our district become even more effective and vibrant.
