President's report

Happy New Year to you all. I hope you all had an enjoyable Christmas and were able to be with family and friends as much as possible.

This is just a short newsletter to bring everyone up to date with current and upcoming events, as well as to recap on a few pre-Christmas happenings.

With all the continuing restrictions we've decided to maintain the Zoom meeting format for the time being. Hopefully restrictions will gradually relax and enable us to have some more face-to-face events in the coming months.

Have a good week!

Jenny Kroonstuiver
President

Thought for the week

They said a mask and gloves were enough to go to the supermarket. They lied. Everyone else had clothes on.

Australia Day Celebrations

On Australia Day we will be providing a free BBQ outside the Faulconbridge Swimming Pool. We will need a full team of volunteers and roster details will soon be sent out.

At this stage the set up team will arrive around 8.30am and there is a lot to do compared to previous events. Serving of the sausage sizzle will commence 10 am and cease at 2pm unless food supply depleted before.

On 14 January, Bill Bowler sent to all members some preliminary information which needs to be fully read and you will be required to sign a confirmation that you have read the information and have understood what is required.

A huge thanks to Bill Bowler and team from Upper Blue Rotary who have put so much work into the planning over the Christmas period, especially amid the ever-changing climate of COVID restrictions.

Pick-a-card!

Pick-a-card will return once meetings resume.
