President's report

We have a bumper edition of Springword this week. All of a sudden there is a great deal happening!

The first weekend of raffle ticket selling was very successful with 114 tickets sold – thanks to all the ticket sellers. Thanks so much to Norm for arranging storage of the wheelbarrow and also for setting up and closing down the set up. Thanks also to the many members who have taken books to sell. I think we are going to reach our 1000 sales quite easily.

On Wednesday we handed over the computers to Winmalee High School students. A huge congratulations to Geoff Glassock for his hard work in bringing this project to a successful conclusion.

Thursday was the first of the Wentworth Falls TAFE lunches - see below.

So much else is happening! See separate articles about the recommencement of Bunnings BBQs, the wine sales and the Variety Club Golf Day.

This Monday is guest speaker night and Joanna Deegan has two excellent speakers lined up.

Firstly, we have Julie Ankers, host of 'ArtHouse' who will speak about the

learning, organisation development and the reasons behind her three books.

Secondly, our own Peter Sparkes' presentation is entitled "Chairing a Meeting – a Brief Outline".

Pride of Workmanship Awards – reminder to nominate

Please consider nominating a local employer, employee or contractor, whom you feel has given 'service' above and beyond your expectations during their normal performance or where they have stepped up during the very difficult times, for example bushfires or COVID.

The Awards will be given out in November and at this stage, we are considering either a small gathering or a zoom meeting - to be decided closer to the event.

Cheryl Kitto emailed the nomination form for The Rotary Club of Springwood Pride of Workmanship 2020 Awards to all members several weeks ago. The nomination forms are also available from the Club website.
