### President's report

As the current lockdown deepens it seems that it is less and less likely that we will manage a face-to-face changeover on the 19<sup>th</sup> July. Plan D is to revert to a Zoom event on the same night, but I really hope it does not come to that.

This coming Monday, the 12<sup>th</sup>, will be a Board Zoom meeting, commencing at 7.00pm. We will finalise the Club Committees at this meeting.

Sincere congratulations to Norm and Cheryl Kitto, as well as Marilyn Kitto who were recongised for outstanding service at the District Changeover Zoom event last Sunday. Thoroughly deserved!

There is really not much else to say as we are all house bound – and even this newsletter is late because I thought it was still Thursday!

Have a good week!  
Jenny Kroonstuiver  
President

### Thoughts for the week

Now I understand why pets try to run out of the house when the door opens.

Writers do their best work alone, and now is your chance to write the story of your life.

### Sergeant's corner

And who were the members who needed to raid the hospital drawer in order to find pajamas for last Monday's Zoom meeting?

## Australian Rotary Health Announces New Research Funding Focus

Australian Rotary Health (ARH) is undertaking a new initiative to improve the mental health of our youngest Australians, announcing that their research funding will now focus on the 0-12 age group.

The new research area will be introduced at a symposium titled, 'Healthy Children, Bright Futures: Improving the Mental Health of 0-12 Year Olds'. The symposium will take place in Sydney in late March next year.

## Vale Lesley Jenkins

This week we learned of the unexpected death of Lesley Jenkins.

Lesley was a lovely lady and wife of the late Colin Jenkins who was a past member and very involved in the Club.

Leslie and Colin's youngest daughter was also one of Springwood Rotary Club's outbound Exchange students to Brazil.

## Meet our members
