This Week's Meeting...at The Ori Christmas in July

President's Report

Many thanks to everyone for their suggestions and thoughts on the changes that need to be considered if we are to survive and grow, particularly to those that have taken the time to "go to print" with ideas to be discussed by the Committee.

Whilst agreeing that there are many "traditional" aspects to a weekly meeting we do need to consider their relevance in the "modern" world particularly if we are to attract new – particularly younger - members.

Why Join Rotary ? An old information sheet that Bill uncovered is attached to the end of the Springword. It may be old but still very relevant. I believe it unfortunate that we decided to do away with the 3 fold story of The Rotary Club of Springwood.

Introduction: N/A
Thanks: N/A

As I suggested at the assembly, if you come across an interested person try to bring them along to a meeting (preferably one when an interesting guest speaker is on the programme) to enjoy the friendly fellowship for which this Club is renowned and let the Membership Chair (Yvonne) know and perhaps she can assist you in the discussions.

Once again a great night providing a Meal from the Heart for the residents at RMH last Friday night. A special thanks to Adam for co-ordinating and to all who contributed by way of food, drinks and/or time. It is a very special night for both the Families and we Rotarians – Humanity in Motion and Making a Difference.

Finally, thanks to all that were able to join in the "Surprise Lunch" for Lynda's birthday. Not often Lynda is lost for words !

Book Early – Family & Friends welcome!!!

It is with the heaviest of hearts that I need to advise you that the President-elect of Rotary International, Sam Owori, died last night.

Sam had undergone some surgery in Texas that he had been planning for some time, and there were post-operative complications from which he couldn't recover. I will provide appropriate details when they are known.

In this time of great loss, I ask you to keep Norah, the Owori family and Sam's millions of friends around the world in your thoughts.

Sam was a special person in so many ways, and is a huge loss. We will provide more details on funeral arrangements as they become available. From the perspective of Rotary administration, we in Evanston are looking at what needs to be done as a result of Sam's passing.

With enormous sadness,
Ian

Why Join Your Local Rotary Club?

Professional Networking

A founding principle of Rotary was to meet periodically to enjoy camaraderie and enlarge one's circle of business and professional acquaintances. As the oldest service club in the world, Rotary club members represent a cross-section of the community's owners, executives, managers, political leaders, and professionals – people who make decisions and influence policy.

Service Opportunities

Club members have many opportunities for humanitarian service, both locally and internationally. Service programs address such concerns as health care, hunger, poverty, illiteracy, and the environment. Rotarians experience the fulfillment that comes from giving back to the community.

International Awareness

With more than 12,000 clubs in over 200 countries & geographical areas, Rotarians gain an understanding of humanitarian issues through international service projects and exchange programs. One of Rotary's highest objectives is to build goodwill and peace throughout the world.

Friendship

Rotary was founded on fellowship, an ideal that remains a major attraction of membership today. Club members enjoy the camaraderie with like-minded professionals, and club projects offer additional opportunities to develop enduring friendships. Rotary club members who travel have friendly contacts in almost every city in the world.

Good Citizenship

Weekly Rotary club programs keep members informed about what is taking place in the community, nation, and world and motivated to make a difference.

Family Foundations

Rotary sponsors some of the world's largest youth exchange, educational exchange, and scholarship programs. Rotary clubs provide innovative training opportunities and mentoring for young leaders and involve family members in a wide range of social and service
