This Week's Meeting... *TBC*

President's Report

What an impressive meeting we had last week. The RYPEN students who went to a RYPEN camp a few weeks ago at the Narrabeen Sports Centre were great representatives of not only our Club, but their school as well. Adam and Clare spoke about their experiences at RYPEN (Rotary Youth Program of Enrichment) and conveyed, not only their enjoyment of the experience, but also how grateful they were to our Club for giving them the opportunity to have it. We wish to congratulate Adam and Clare on how well they presented their report, and we know that they will both benefit from their RYPEN camp well into the future.

This was followed by a presentation to the fire fighters in Emma Parade who look after the small shed and trailer in Emma Pde with firefighting equipment. Much needed coupling rings and adapters, Stillson wrenches and trolleys have been

provided for each unit so that the people in Emma Pde now can use their static water supplies for the fighting of fires near their residences. Ian Palmer and Guy McMasters gratefully received these items presented by The Rotary Club of Springwood Inc. and showed how much a presentation like this will be appreciated by the local community.

Another night that makes one proud to be a Rotarian.

Adam Law and Bill Bowler continue to establish the fully equipped trailer, and with the latest addition of the hot running water system which involved the water heater, gas bottle, cover, installation bar, water pump, 12 volt motor and water supply and the installation, and then produced a video to show how easy it is to work. This is a great achievement by both of them, and a great contribution to the working of our Club. The face of The Rotary Club of Springwood Inc. will now definitely be more obvious at public functions with our new trailer.

Have a great week.
