## *60 Years*

### *Diamond Jubilee*

---

Celebrating 60 years of service to the district, this 10-year publication is an extension of Windsor Rotary club's 80-page Golden Jubilee history, published in 2005 and still in circulation (see Club Historian Ken Lyons for a copy).

---

**I**N WRITING the story of Windsor Rotary Club we have endeavoured to avoid writing a dry, factual history of dates and events. We have tried to infuse the story with explanations, extensive references to club members and laughter which they have created.

The pictorial coverage was made possible by the co-operation and willingness of members and friends of Rotary to loan photographs.

Special thanks to PDG Paul Henningham for permission to quote from his book "Seventy-Five Years of Service".

I appreciate the assistance of former Rotarian Geoff Moses who served twice as President, for his guidance and encouragement given during the search and collection of information.

If this book helps the members, past, present and future, to learn more of their club and its development, then the main purpose has been fulfilled.

– Ken Lyons  
Project Editor & Club Historian

---

# FOREWORD

THE club's 60th anniversary is a momentous achievement and cause for great celebration. This historic milestone marks 60 years of fellowship and service to our community.

Our past and current members can be justifiably proud of their achievements and the future organisation and directions they have set. It is now up to our current and future members to maintain a healthy, active and successful club.

The Rotary Club of Windsor holds a place of leadership because it has demonstrated a capacity to adapt to a changing environment throughout its 60 years. Today's club has many challenges ahead, which will be of the same magnitude and no more complicated than our forebearers' challenges in the past.

Windsor Club, in its 60th year, is celebrating its achievements thus far, but we cannot simply rest on our laurels. In contemplating the future, we should reflect on past good fortunes and achievements to guide the members towards maintaining high standards continuing the involvement with the local community.

It is reassuring that our efforts are appreciated by the community, which is demonstrated by the support we receive from all sectors of our district.

We must keep attracting new blood to Rotary to stimulate and to keep it alive, to be complacent on this issue would be disastrous.

On behalf of all members of the Club, we would like to thank all those who made the production of this history of our club possible.

– *John Gollan*

*2014-2015*

– *Terry Munsey*  
*President*  
*2015-2016*

15<sup>th</sup> September 2015

Dear President Terry Munsie and Members of the Rotary Club of Windsor,

I am delighted to congratulate your Club on its 60<sup>th</sup> Anniversary. What a wonderful milestone to have reached!

Rotarians around the world give their time, their talents and their expertise to improve the lives of others, not only in local communities, but also internationally. For 60 years members of your club have worked tirelessly to assist those less fortunate than us and to help further Rotary International's aims of fostering a world of peace and good will.

As one of the most active, vibrant clubs in District 9685, Windsor has constantly demonstrated its commitment to Rotary and to providing Service Above Self. You have risen to President Ravi Ravindran's challenge to *Be A Gift to the World* and as a result have had a positive impact on many people.

On behalf of all the members of District 9685, I congratulate you on your 60<sup>th</sup> Anniversary and wish you continued success for the future.

Yours in Rotary

19 August 2015

Dear Rotary Club of Windsor, N.S.W., Australia members,

I am delighted to congratulate your club on its **60<sup>th</sup>** anniversary.

There is a point when we all must ask ourselves what legacy we want to leave in this world. Will we see someone's need and meet it? Will we work for peace and goodwill wherever we go? Will we try to make the lives of those around us better?

For **60** years, the Rotary Club of Windsor, N.S.W., Australia has answered those questions with tireless Service Above Self. Thanks to the work you do, Rotary is known as an organization that fills needs, fosters peace and goodwill, and improves lives in local and global communities.

Each Rotary club is unique. Successful clubs embrace the different strengths and passions of each member, and use that diversity to bring out the best in each individual for the good of all. Vibrant clubs are willing to be innovative in the ways they serve their communities, and the members know that when they gather every week, real and lasting change happens.

This anniversary is an important milestone. It not only marks your commitment to Rotary, and the commitment of Rotarians who have gone before you, but it presents the opportunity to renew your vision and passion for Service Above Self. It is a time to reflect on how we can grow Rotary, so that your club may continue to be effective for the next **60** years. It is an opportunity for us to *Be a Gift to the World* all over again, and that is a truly wonderful thing.

I congratulate all of you and wish you the best in your next year as a club.

Sincerely,

A handwritten signature in blue ink, appearing to read "K.R. Ravindran".

K.R. Ravindran  
2015-16 President, Rotary International

Dear Mr Munsey

On behalf of Council, I congratulate and thank the Rotary Club of Windsor for serving the community for 60 years.

This is a very special anniversary for all past and current members and one the Club should be immensely proud of. The number of projects the Club has been involved in during these 60 years is extensive and this tireless work to provide support in so many ways, is greatly appreciated.

Our lives can be busy, but somehow Rotarians still find time to volunteer and help others. By working together you make a real difference to those around you and the area as a whole. Council recognises the huge contribution the Rotary Club of Windsor has made to the Hawkesbury community over many years and I thank you and all your members for your outstanding dedication.

My congratulations to all members on your 60<sup>th</sup> Anniversary and I wish you all the best for future and look forward to your ongoing partnership with Council for the benefit of our community.

Celebrating with you on 6 November is a great honour and privilege.

Yours faithfully

Clr Kim Ford

# Rotary comes to Australia

ROTARY was formed in Chicago in 1905, San Francisco in 1908, Oakland California in 1909. Seattle, Los Angeles, New York and Boston in 1910. By 1910 - 16 clubs existed in America.

Rotary then became International in 1911. First Canada then Dublin, London and Belfast.

1912 name changed to International Association of Rotary Clubs.

Growth continued but seriously retarded by World War 1, until 1921 - the 1000th club was formed in York, England.

Also in that year the International Association of Rotary Clubs appointed two Canadian Rotarians to be honorary commissioners to introduce Rotary to Australia and New Zealand.

James Davidson and Layton Ralston from Rotary Club of Calgary in Canada arrived in Sydney on March 22, 1921 but unfortunately found it closed - it was "Show Week" - the ten days during which the country goes to the city for the Royal Easter Show.

They decided that they would go on to Melbourne and with a list of several men who had already shown interest, formed the first Rotary Club in Australia on April 21 with 37 Charter members.

Having established the Rotary Club in Melbourne, they returned to Sydney and were successful in persuading some of the most influential citizens of the day to become charter members of the Rotary Club of Sydney on May 17, 1921.

## **Now the history of our club commences:**

Rotary Club of Sydney sponsored:

Rotary Club of Parramatta 1926.

Parramatta sponsored:

Rotary Club of Penrith 1945.

Penrith sponsored:

Rotary Club of Windsor 1955.

Windsor sponsored:

Rotary Club of Blaxland Springwood 1968

Rotary Club of Richmond 1972.

Rotary Club Blaxland Springwood changed its name to Lower Blue Mountains and sponsored Rotary Club of Springwood 1984 and Rotary Club of Wallacia Mulgoa Valley 2002.

And as we all know Rotary Club of Richmond sponsored Rotary Club of Kurrajong-North Richmond 1978 and Rotary Club of Hawkesbury 1996.

## The formation of a Rotary Club at Windsor

THE first survey of the district with regard to the formation of a Rotary Club was made by Vice-President, Ollie Oberg, during his term of District Governor of District 29 in 1949-50. Others were made by District Governor George Cogan in 1953-54, and later by District Governor Doug Stewart in 1954-55, who appointed PP Roy Handley of the Rotary Club of Penrith, as his special representative, to form a Rotary Club of Windsor.

The Rotary Club of Penrith, led by President Mac McArthur and secretary Eric Keech, was the sponsor club.

The territory which the Rotary Club of Windsor covered was the Municipality of Windsor, including Richmond, and a part of the Colo Shire bounded by the Hawkesbury River, Yarramundi-Springwood Road, a line drawn from the Hawkesbury Lookout to Bilpin, on a line drawn from Bilpin to the junction of the Colo River with the Hawkesbury River and that portion of the Blacktown Shire bounded by the Windsor-Sydney Road and a part of the eastern boundary of the Municipality of Windsor.

An inaugural meeting was held at Georges Café Windsor on June 22, 1955. The first meeting of the board of directors was held following this meeting.

The Charter was granted on August 1, 1955, and charter presented on October 21. The club had 24 charter members as listed:

Butters, R.S. (Reg)	Finance, Commercial Banking
Day, M.G. (Max)	Newspaper Publishing
Ducat, A.L. (Alan)	Shoe Retailing
Dutfield, E. (Ted)	Petrol & Oils Distributing
Escott, W.D. (Bill)	Finance, Savings Banking
George, P.C. (Paul)	Restaurants
Gow, C.J. (Jack)	Municipal Government Administration
Haddin, J.E. (Jim)	Dairy Products Distributing
Hale, E.J. (Ted)	Education, Primary
Helder, N.G. (Nick)	Smallgoods Retailing
Holman, J. (Jack)	Shoe Repairing
Horsley, L.H. (Len)	Leather Tanning
Johnson, A. (Austin)	Agricultural Education, Ad Active
Kent, M.C. (Mervyn)	Building Construction
Moses, S.A. (Stan)	Bread Manufacturing
Palmer, T.S. (Tom)	Meat Retailing
Paull, W.J. (Bill)	Citrus Growing
Pulsford, M.B. (Brian)	Dry Goods Retailing
Richardson, H.R. (Harry)	Agricultural Education
Smith, J.A. (Joe)	Dairy Farming
Thompson, C.A. (Bill)	Transportation/Hauling
Weingarh, J. (John)	Dentistry
Wheeler, C. (Chas.)	Christianity, Protestantism
Wilkey, J.A. (Jack)	Hospital Administration

# Formation of Rotary Club of Blaxland Springwood

(Contributed by DG Special Representative Geoff Moses)

IN 1968 District Governor John Moon invited the Rotary Club of Windsor to investigate the possibility of forming a Rotary Club at Springwood and appointed Past President Geoff Moses as his special representative.

This was a daunting task as Geoff had little knowledge of the area to be surveyed. He interviewed about 125 prospective members before reporting to D.G. John that about 30 persons had positively responded and that it was possible to form a club.

An organisation meeting was held and arrangements made for the Charter Presentation Dinner to be held at the Springwood Civic Centre on December 6, 1968. The new club would be known as the Rotary Club of Blaxland Springwood, later to be renamed the Rotary Club of Lower Blue Mountains.

However a disastrous bushfire devastated the area a week before the charter night, destroying over 80 homes. The Civic Centre was taken over by the Civil Defence, Red Cross, Police and service personnel. So the venue had to be changed at very short notice. This presented

a massive task for Geoff and the Rotary Club of Windsor. The venue was changed to the St Marys Memorial Hall.

Every club and every prospective attendee had to be contacted and advised of the change. Not one cancellation was received. Just short of 300 guests representing 43 clubs attended and the charter was presented by D.G. John.

It is normal practice on charter nights for visiting presidents to present a club banner to the new club. This they did, and also brought their cheques amounting to several thousand dollars for the new club to use for bushfire relief. It was an emotional time and many tears were shed. Donations poured in from Rotary and Inner Wheel Clubs throughout Australia.

The new club which had been in action even before the charter night performed magnificently with relief work in the ensuing months. Few Rotary Clubs in the world could have had a more dramatic entry into the world-wide fellowship of Rotary. It was indeed a baptism under fire.

## Formation of the Rotary Club of Richmond

(Contributed by DG Special Representative Geoff Moses)

OVER the years District Governors had suggested to the Rotary Club of Windsor that it should look at the possibility of forming a Rotary Club at Richmond.

No doubt the thought of losing several valued members to the new club had some bearing on the decision not to accept the challenge.

However in 1972 District Governor Eric Blamey used a little more persuasion and it was decided to form a committee to investigate

the possibility. The decision to proceed was by no means unanimous and much discussion and debate occurred which at times was quite heated before a final decision was made.

Eric appointed Past President Geoff Moses as his special representative. About 75 'possibles' were interviewed before Geoff reported to Eric that it was possible to form a club at Richmond.

An organisation meeting was held on May 22,

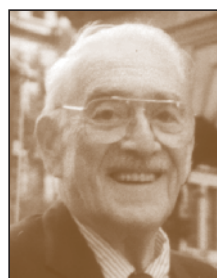

### WINDSOR ROTARIANS WHO TRANSFERRED TO RICHMOND

Ken Shepherd

Ken Page

John Bain

George Kriketos

Stan Moses

Bill Smith

1972. There were no bushfires to contend with this time, but there was a mail strike, and at the closing date for acceptances replies had only been received from 10 of the 48 clubs invited.

So again there was the frantic last minute phoning of invited clubs to ascertain their intentions.

All problems were overcome and the charter was presented by District Governor Eric before about 300 guests at the Windsor RSL Club on

June 14, 1972. Twenty-three new Rotarians were inducted into the world-wide fellowship of Rotary. Windsor did lose six members to the new club, those that transferred to Richmond were: Ken Shepherd, John Bain, George Kriketos, Stan Moses, Bill Smith and Ken Page. This galvanised the membership development committee into action and very soon Windsor had not only replaced the six members lost but had increased membership above what it was "before Richmond".

---

## Formation of the Rotary Club of Kurrajong

*(Contributed by PP Pat Clerke, Rotary Club of Richmond)*

IN MAY 1978 Pat Clerke Pres/Elect of the Rotary Club of Richmond contacted Bill Bradford DG Nominee with a request for permission to form a Rotary Club at Kurrajong, DGN Bill stated approval was given by DG Colin Dodds.

Pat and his wife Nola invited Colin and Athalie Dodds, Bill and Millie Bradford, Richmond Rotarians Ken Shepherd and Ken Page to a barbecue luncheon at their home in Windsor Street, Richmond to discuss the idea. Approval was given at this lunch and Ken Shepherd was appointed DG's special representative with Ken Page to assist.

Approval was sought and granted by Rotary Club of Richmond to share territory with the new club.

The first meeting was held on 8th August 1978, it was decided that the club would be called Rotary Club of Kurrajong and would meet on Tuesday nights at Kurrajong Heights Hotel.

Charter was granted on 16th September 1978 and Charter Night on 17th November 1978 at Windsor Cultural Centre with 15 clubs represented and 300 guests.

There were 28 Charter Members 12 of whom were transfers from Richmond Club, Keith Benedetti was Charter President, Bill Bradford DG and Pat Clerke Sponsor Club President leaving 22 members. Under two years Richmond membership was back to normal.

---

## Formation of the Rotary Club of Hawkesbury

*(Contributed by PP Pat Clerke, Rotary Club of Richmond)*

IN AUGUST 1996 DG Bob Aitken contacted PP Pat Clerke and asked him to form a new Rotary Club in the Hawkesbury, Pat agreed subject to District financial help of dollar for dollar and enlisted the aid of PPs John Baker and Keith Benedetti, Richmond Rotarians to form a committee of three.

Approval was sought and granted by Richmond members to share territory and sponsor the club.

First meeting was 26th September 1996 at UWS. It was decided the club would meet

Thursday lunchtime and would be called the Rotary Club of Hawkesbury to meet at UWS Gallery Room.

Charter was granted on 27th November and Charter Night was 30th November. Charter President was Teena Dwight, there were 25 Charter Members 14 of whom were female. DG was Bob Aitken, President of Sponsor Club was Errol Newlyn. This club was the first to admit ladies in the Hawkesbury and the first lunchtime club. Regrettably the club handed in their charter in September 2011.

# The Youth Exchange Program

THERE is a remarkable lack of agreement about the origins of the Youth Exchange Program (also known as Student Exchange) for secondary school students.

It is known that Rotary clubs in European countries had been arranging short-term exchanges of students during school vacations many years before the program was initiated in Australia.

The first recorded exchange of students from Australia was arranged between the Rotary Clubs of Myrtleford, Victoria; and Scottsbluff, Nebraska, USA; in 1958 – by the Governors of the two districts in which

those clubs were located. The exchange was seen as highly successful and in the following year, District 280 Governor Horace Bedggood, appointed a district student exchange committee to promote the idea and provide some general guidelines.

The Youth Exchange Program was soon adopted by other districts.

Windsor Club's first incoming International Youth Exchange student was Kuniko Ikeda from Japan in 1967; and in the following year Diane Kemp Ebenezer (Canada), and Annette Bain from Kurrajong, went to Japan on exchange.

*Dianne Kemp being presented to the Rotary Club of Sainte Therese in May 1969. Dianne spoke about different aspects of her country Australia, and showed slides that she had brought with her.*

# The Rotary Foundation

THROUGHOUT the 1930's the Rotary International Board encouraged clubs to donate to the Foundation with the objective of raising \$2 million, but the Great Depression inhibited any spectacular response.

In 1947 Paul Harris, Rotary's founder and President Emeritus, died, and through the "Paul Harris Memorial Fund", donations poured into the Rotary Foundation as a tribute to the man who had founded the movement 42 years earlier. This enabled the trustees to help needy families who had suffered grievously in war-ravaged countries. But it also enabled them to plan for a more significant program of education and world understanding.

The foundation sponsored Graduates and Ambassadorial Scholars and has been extended to include vocational scholarships for a year in another country. In 1965, the program was further diversified with the introduction of Group Study Exchange. Co-sponsorship of projects under the 3-H (Health, Hunger, Humanity) Program is an aspect of the Rotary Foundation operations. The massive "Polio Plus" campaign also operates under the Foundation umbrella. The "Polio Plus"

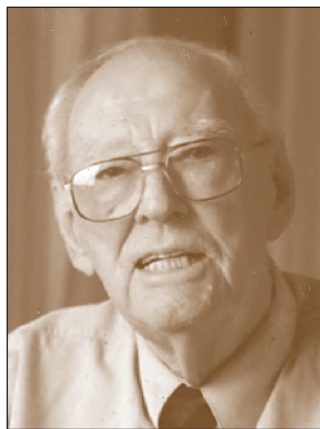

campaign was launched in 1987, the aim of which is to eradicate poliomyelitis plus the other infectious diseases of childhood by the year 2005. With a target of \$US120 million, Rotary clubs worldwide raised more than \$246 million. The Rotary Foundation is funded by the voluntary contributions of Rotary clubs and many individual Rotarians.

An ingenious means of encouraging support is the Paul Harris Fellow award which was first proposed in 1957 and was actively promoted from 1966. Any person who donates or in whose name is contributed \$1,000 (US) to the Rotary Foundation is named a "Paul Harris Fellow" and receives a medal, a lapel pin and a handsome certificate. Strongly resisted by Australian Rotarians when first promoted, the Paul Harris Fellow awards are now fully supported and used by most clubs as a way of honouring members or non-Rotarians who have served the community.

The Rotary Club of Windsor proudly honours Paul Harris Fellows among our current and past members, including partners and Honorary members.

Directors: Sid Kelly  
Garry Baldry  
Mal Roughley  
Tom Millington

FELLOW Rotarians and friends, looking back on 2005/6, we can only once again reflect on the satisfaction and pleasure service to Rotary and our Community, gives us which continues to this day. As usual in a Rotary year, we had many memorable times, the ones that stand out are where we helped in our own community, an example would be the Windsor South Public School and our close association with Early Intervention Teacher Debbie Wallin and her work with children from three years with a diagnosed disability, what an inspiration.

Each year the Rotary Club of Windsor Youth Trust holds its presentation night, this year 16 awards were made to help and encourage Hawkesbury youth to achieve their goals. It is very special to hear awardees tell of their ambition and achievements, and reminds us of the wonderful and talented people we have.

This and past service and fellowship was celebrated at the Rotary Club's 50th birthday, a wonderful evening held at the Race Club and attended by over 200 guests. It was an evening of celebration, old and new members and their partners reflected the vibrancy of Rotary, giving us the inspiration and dedication to continue and improve for the future.

The Heritage Picket Fence was and is an inspirational programme for the improvement of McQuade Oval in Windsor, and thanks to many sponsors another \$30,000-00 was distributed to Children's Medical Research, Rural Fire Service, Prince of Wales Medical Research, Flying Doctor and the Starlight Foundation and our own Youth Trust. A highlight was the holding of the Hawkesbury seven-a-side knockout cricket match, a great day with sides from the Hawkesbury and surrounding Districts. Schofields proved a little strong for Hawkesbury in the final.

Through the year we enjoyed many guest speakers, including the great Olympian John Konrads, Factory visits and Golfing days made for a busy year in Rotary. It is always special to honour a friend, this year we had the chance to honour Past President Merv Cross by inducting him a Paul Harris Fellow, one of Rotary's highest honours. The evening was enhanced by having our District Governor Bill Little on hand to make the presentation, with many of Merv's Family present.

Fellowship is a very strong part of Rotary, and apart from our regular meetings this year we enjoyed two very enjoyable trips away. The first was to the Hunter Valley, what a beautiful District; we enjoyed touring the wineries and the beautiful villages. Many humorous stories popped up during some long dinners, many thanks to our hosts, I am sure The Hunter is firmly on our bucket list for the future. Grenfell was our next visit later in the year, the local Rotary Club proved excellent hosts, tours to Iandra Castle, Bushranger country, gold fields together with great fellowship topped off our visit to Grenfell.

*My thanks for a memorable year  
Doug Stoneman*

Early Intervention teacher Debbie Wallin, with directors Tom Millington and Mal Roughley.

# 2006-2007 President Rod Hartas

President Elect: Garry Baldry  
Secretary: Ted Brill  
Treasurer: John Paine  
Directors: Tom Millington  
Jim McMillan  
Cris Phelan  
Mal Roughley

THE year could be summarised as a year of consolidation and fellowship .

Within the local community support was provided for the South Windsor Public School's Early Intervention and Life Education programs, the Hawkesbury Eisteddfod with the Harry Smith Prize, the Richmond Public School's Julia Vagg Memorial Prize and Relay for Life with a goodly number of members and partners participating. We also supported Bowelscan and MedicAlert and provided two teams of golfers who took part in and contributed to the fund raising day organised by the Hawkesbury Hospital Auxiliary.

The Picket Fence Project continued with sales in preparation for further donations to the six designated charities.

Honour boards for Windsor High School (which had been under preparation for some time) were completed and they now grace the front wall of the school auditorium.

In the wider Rotary community we supported the Rotary Foundation and completed collections and forwarded donations to the RAWCS tsunami support project.

On the youth front, our participation in RYLA continued with two attendees sponsored for the week-long camp. Feedback was very positive. We also sponsored three attendees at Rypen camps during the year as well as two attendees to the stimulating Siemens Summer Science Experience. Members assisted at a Youth Driver Awareness event, a very worthwhile initiative which we were keen to support.

Internationally we were active. The club was involved with renovations at Arep High School on Vanua Lava in Vanuatu (Greg Hoile was project leader and Peter Dykers co-ordinator) with strong support from individual club members.

We assisted with hosting the incoming North Carolina GSE team and had a pleasant evening enjoying the outgoing team's presentation at one of our meetings.

A significant number of members were involved in book collections for the Ranfurly Library Service (now Ranfurly Book Aid). The Service continues to distribute reading and reference material to South

Pacific third world countries; a very worthwhile, low profile, project.

We also were strong supporters of the ShelterBox project which provided emergency shelter and cooking facilities to assist with disaster relief. The Shoe Boxes for Timor Leste was a "let's help" exercise that was very well supported by club members and RAM (Rotarians against Malaria) was supported with the assistance of the Oasis Swimming Centre.

The social calendar was full! A Christmas party focussed on a Christmas celebration for children as well as adults. A visit from members and partners of the Rotary Club of Cowra was a convivial time. Thanks went to Richard and Alison Clark for hosting and Ted Brill and John Miller for an informative Windsor and Ebenezer bus trip. And two expeditions, one to the southern highlands (where we enjoyed a barbecue courtesy of the members of the Rotary Club of Bowral) and the other to the Shoalhaven where we met up with members and partners from the Rotary Club of Nowra, were events enjoyed by all who participated.

An important part of the fellowship component of activities includes fundraising ventures and these were well attended and enjoyed by members as well as successfully raising useful sums for distribution. They included the Dural Markets, Holden weekend, the Defence Forces Christmas Party and Trend Timbers trade days. Barry Gale's envelope sales also provided a continuing source of funds appreciated by members. A Poetry Night at Wilberforce (thanks to Tom Millington) was enjoyed and successfully raised funds for the South Windsor Early Intervention program.

The Family of Rotary was alive and well with a number of members active in support of those in need.

A new club banner with the St Matthews church tower as the focal point was produced with design assistance from honorary member Greg Hansell and club friend Garry Riches.

One highlight of the year was the awarding of Paul Harris Fellowships to Tom Millington and Trevor Whitmore. Both members were recognised for their strong support of club programs and recognition of their efforts was well deserved.

# 2007-2008 President Garry Baldry

President Elect: John Butler  
Secretary: Chris Veitch  
Treasurer: John Paine  
Directors: Doug Stoneman  
Greg Hoile  
Paul Ryan  
Mal Roughley

DURING the 2007-2008 year, the club inducted three new members and welcomed their wives into the fellowship of Rotary.

A number of events took place throughout the year starting with the All Holden Day in August at the Hawkesbury Showground, where our members cooked meals over the three days of the event.

The club then supported the opening of the Flood Evacuation Bridge (now known as Jim Anderson Bridge), by helping out with the commemorative walk over the bridge. We organised walk participants, handed out water to the thirsty and provided other assistance where required.

There was a great Vocational Night at P.P. Harry Grange's Ebenezer establishment during October, a club visit to Dubbo at the invite of the Dubbo Rotary Club, a Trend Timbers BBQ in November, followed up by a Christmas Pantomime and club Christmas party put on by club members at the Pitt Town Sporting Club, to finish up 2007.

The New Year (2008) began with a Scottish Night in January, which was fondly supported by those of Scottish decent amongst our club, or those just pretending to be a Scott for the night.

March was a big month with the Vanua Lava Project Dinner and Auction at P.P. Greg Hoile's home, Recognition of Helpers of Rotary Club of Windsor night, the ceremonial opening of the community BBQ at Don't Worry Oval, and the Pride of Workmanship Awards, which recognised four wonderful, courteous, diligent people from our community for their efforts in their workplaces.

April saw the Community Health Forum being presented to our community, highlighting mental illness relating to bi-polar diseases. The forum was well supported by the people of the Hawkesbury and surrounding areas, topping the number of attendees at similar forums being run that year in our District. P.P. Brian Speechly was instrumental in making this forum such a success.

In May, our final Vocational Night was held at the home of Sid and Carolyn Kelly "Reibycroft", to hear about the vineyard and sample some of the wine produced from this property. Carolyn gave the members a memorable talk on the history of "Reibycroft" and its prior occupants who have cemented a place in Australian history.

There were also our regular events throughout the year being the Windsor Rotary Youth Trust Grants program which supports and encourage talented youth in our community, the Bowel Scan program, Relay for Life participation by club representatives and a plethora of wonderful weekly guest speakers enlightening and entertaining our members.

2008 also heralded in two significant milestones in the lives of two of the members that year. The late P.P. and Paul Harris Fellow, Bill Henderson, with 40 years of service and P.P. and Paul Harris Fellow, Ron Ingold with an outstanding 50 years service to the Rotary Club of Windsor and its community.

Ron Ingold celebrating 50 years of service, and Bill Henderson 40 years, with Bev Henderson.

# 2008-2009 President John Butler

President Elect: Jim McMillan  
Secretary: Chris Veitch  
Treasurer: John Paine  
Directors: Rod Hartas  
Greg Hoile  
Brian Speechley  
Jim Clifford

THE President of Rotary International in this Rotary year, D.K. Lee, chose the theme "Making Dreams Real", encouraging clubs worldwide to have a vision and set goals that were achievable. Members of Windsor Rotary sought to do this, not just in sharing the fellowship of our weekly meetings, but also in adopting many community projects locally, nationally and internationally.

D.K. Lee specifically mentioned projects "that will make a difference in the lives of children." Our fundraising efforts had this as a focus with local grants being directed to the Early Intervention Program at Windsor South Public School, to Northwest Disability Services, and to our own Youth Foundation Trust where 15 grants totaling \$7847 were awarded.

Internationally, we gave financial and practical support to the school and hospital in Vanua Lava in Vanuatu, with an enormous contribution being made "on-site" by Rotarians Greg Hoile, Geoff Roberts and Sid Kelly and friends.

In cooperation with the Hawkesbury Club we sponsored an exchange student from Japan, Azusa Kawaguchi, with the valued support of Bede Polding College and Matthew and Susan Pye, a school family.

We also sent four students to RYLA and three to RYPEN, and a student to the National Youth Science Forum. The Club hosted four students from the South Pacific islands at the short-term PACE program.

We continued our support of the Ranfurly Library Service, several members collecting surplus books locally for distribution to school libraries overseas.

Beyond this youth commitment, a significant contribution was made in providing monetary assistance to victims of the disastrous bush fires at Kinglake in Victoria, with \$10,500 being raised in "bucket collections" in local shopping centres for distribution through Rotary in the affected areas.

Our contribution to the Rotary Foundation through the awarding of Paul Harris fellowship awards to Norm Gale and John Paine enabled the Club to meet its commitment to the Polio Plus program.

The Australian Golfing Fellowship of Rotarians successful Golf Tournament was jointly organised with the Rotary Club of Richmond.

In addition to several "family of Rotary" social functions, there was a good attendance at the District Conference held in the Hunter Valley, with good fellowship shared in our accommodation at the Cessnock Hotel. We were also pleased to host a return visit to our area by the Rotary Club of Grenfell.

Special recognition was given to Ron Ingold who completed 50 years of membership and Bill Henderson 40 years.

Promotion of Club activities was made through local press releases and the development of the Club's website, and members were kept informed of Club activities through the well-produced weekly bulletin, "Common Link."

Four students from the South Pacific Islands entertain at a weekly meeting.

# 2009-2010 President Jim McMillan

President Elect: Jim Clifford  
Secretary: Geoff Roberts  
Treasurer: Chris Veitch  
Directors: Mal Roughley  
Dudley Mercer  
Brian Speechley  
Tom Millington

THIS was a year that emphasised the ability of our club fellows to adapt to changes.

First up was President Jim McMillan finally selling his property and travelling overseas and round Australia before moving home after 8 months. By arrangement VP Richard Clark took over the president's job, ably fulfilling that role.

We also, for various reasons, had three replacement officers in club roles. Despite all this, the club had a successful year. Raising some \$30,000 which was distributed to local causes (\$17,700) and the balance through Rotary International causes.

This year saw us start an association with Hawkesbury Race Club where we volunteered to assist them during their race days. This resulted in a \$15,000 boost to our community funds. A big thank you to Sid Kelly who initiated this action.

As is our practice, it was our aim that most local donations were aimed at the youth in our district, a theme of which this club is rightly proud.

Once again the club supported many RI causes such as PACE, RYLA, RYPEN, National Youth Service Forum, RYDA, GSE Team, Ranfurly Book Collection, and also sent a team to Vanuatu to continue our involvement in that country.

Our fellowship program, as always, demonstrated the enjoyment we all derive from the company of our fellows and wives.

We had a good attendance at the Rotary conference at Forster – two poetry nights were held with much involvement from all fellows – Mal Roughly organised a weekend in Canberra which was attended by 25 fellows and wives (incidentally it was in Canberra when President Jim received a call which ultimately led to the sale of his house and his departing overseas).

Finally, despite all the changes in the board, and with many thanks to PP Richard Clark for so ably taking over the president's position, the club had a successful year, both financially and fellowship wise.

Past President Greg Hoile presenting guitars and ukuleles to the principal of AREP high school, Mr Abraham Eldads.

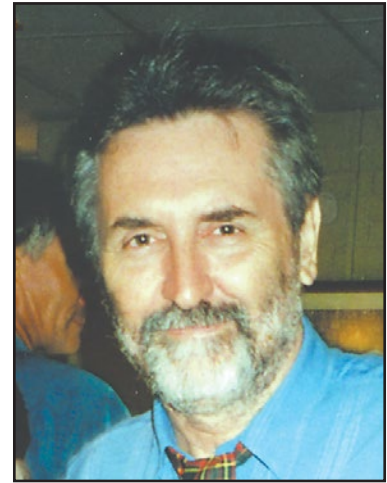

The first meal in the AREP high school auditorium after laying vinyl on the floor and repainting, part of the ongoing refurbishment of AREP.

# 2010-2011 President Jim Clifford

President Elect: Sid Kelly  
Secretary: Rod Hartas  
Treasurer: Christopher Veitch  
Directors: Horst Hauser  
Brian Speechley  
Jim McMillan  
John Butler

AS PER the 55 years prior, the Rotary Club of Windsor showed what a great club it is.

On the social side, members of the club travelled to Forgotten Valley Restaurant, Tenterfield Beer Fest and also Nelson Bay weekend, a great time was had by all who attended.

Membership had a great year, the club gained seven new members but unfortunately two members left, giving the club a gain of 15%. Our Rotary International goal for the year was 10%. Great work Ross Miller and his team.

The club raised \$39,000 which was allocated to a number of community charities and organisations.

Service Projects had a very busy year, we have Sid Kelly to thank for organising new fundraising from the Hawkesbury Race Days. The club completed the All Holden weekend, the Grand Opening of Trend Timbers, the Opening of Australian Pioneer

Village, the club also helped with Hawkesbury Show and many more BBQ Projects.

Pride of Workmanship Awards – 85 people attended and 8 awards were presented, which is an excellent showcase for our Club.

The Club helped with Group study exchange Group to the Hawkesbury area, three of the team from Taiwan were hosted by the Windsor club, and the club also hosted four students from PACE (Pacific Australia Cultural Exchange) program.

The club as always supported RYDA (Rotary Young Driver Awareness Program), RYLA (Rotary Youth Leadership Awards) and RYPEN (Rotary Youth Program of Enrichment).

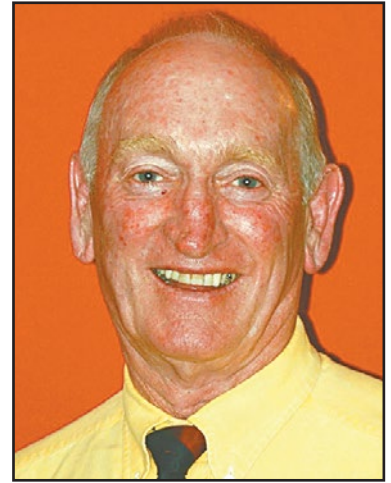

I am profoundly thankful for the help and understanding for my year as President of Rotary Club of Windsor.

Pride In Workmanship Awards are a popular annual fixture and serve as an encouragement for the young and old.

# 2011-2012 President Sid Kelly

President Elect: Tony Miller  
Secretary: John Butler  
Treasurer: Jim McMillan  
Directors: Dudley Mercer  
Doug Stoneman  
Horst Hauser  
Harry Grange  
Mal Roughley

WINDSOR Rotary is the envy of the Rotary clubs in the district and this is due to the willingness and availability of all to be involved in the many activities to which we commit whether it's barbecues, All Holden Days and requirements at Hawkesbury Race Club, etc, we always seem to be able to carry out our commitments.

The Graffiti Removal and Vandal Trac Program success goes to Gary Baldry. This program has lifted the status of Rotary to a new level in the Hawkesbury. It is amazing the number of people and businesses who regularly sing the praises of this very worthwhile program. Our thanks go to Hawkesbury Council and Dulux Paints for their financial support.

One of the main reasons we are able to donate up to \$15,000 to various charities and also support Greg Hoile's procurement and delivery of a community boat and 12 months' supply of fuel to the village of "Sola" in Vanuatu, has been due in no small way to our involvement in the work we perform for Hawkesbury Race Club. Last year we received in total \$8000 for this work. We trust that this work will continue, and our thanks go to CEO Brian Fletcher and his staff for the opportunity.

Two of our really fun nights are the Scottish and Irish functions. In no small part is the entertainment we enjoy from some of our own members, Harry Grange, Garry Baldry, Tom Millington, Mal Roughley and Christine Mitchell. We are all amazed at the skill of these individuals. They are ably assisted by our pipers – Bob Mckelland, Ian Henry and Angus McDonald.

Unfortunately this year we lost one of our much loved members, Noel Wenzel – who was an honorary member and a Paul Harris Fellow. Our sympathy goes to Marie and her family, his happy smile and sense of humour will be sadly missed.

Congratulations go to young Harry Goodyear on reaching the ripe old age of 94, we always enjoy your presence and participation at our regular weekly meetings. We also "promoted" him to an Honorary Life Member.

During the year arrangements were finalised for the amalgamation of District 9690 into the two Sydney Metropolitan Districts. Our club together with the other Hawkesbury, Mountains and Penrith clubs will join the Northern Sydney clubs in the new District 9695, to come into effect from July 2013. David Bamford from the Lower Mountains club will be the first District Governor.

In January we had the pleasure of the Pacific/Australian Cultural Exchange Students: American Samoa - Tyron and Salamasina: Samoa - Olisana and Emmanuel: Tonga- Ester and Finau.

At our change-over night on Friday 29 June 2012 we installed Paul Fraser as our Paul Harris Fellow - Paul and Abby assisted by his side was a very worthy recipient.

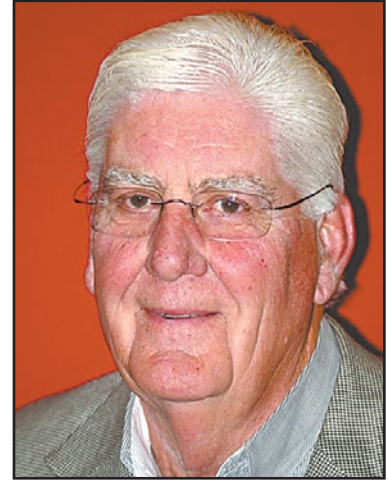

A highlight of the DG's year is the Mayoral reception at Hawkesbury City Council. DG David Cook with Mayor Bart Bassett and Sid Kelly.

# 2012-2013 President Tony Miller

President Elect: Laurie Rose  
Secretary: Doug Stoneman  
Treasurer: Jim McMillan  
Directors: John Gollan  
Mal Roughley  
Richard Clark  
Terry Munsey  
Errol Newlyn

MY THANKS must go firstly to my very committed and supportive Board. The balanced advice I have received from the "old hands" Doug Stoneman as Secretary and Jim McMillan as Treasurer has been invaluable.

Special mention of our member's commitment to the "Graffiti Project" headed and driven by Garry Baldry and his team of Paul Barber, Terry Munsey and Horst Hauser has resulted in the involvement of other Rotary Clubs in the Hawkesbury following our club's leadership example, a mentoring role for young offenders and now part of this project.

The honour of being awarded the Community Service A ward on Australia Day celebration was in recognition of the service our Club has provided to the community through work in combating graffiti.

Our fund raising with race days, barbecues and the Holden Day with the support of our members and their wives has resulted in \$30,000 being raised.

We have had some most gratifying achievements:-

- The Rotary Youth Foundation Trust is one that the Club can be most proud, with the change of District the trustees have addressed the document and ensured that their aims will continue for the benefit of youth within the Hawkesbury.
- Promoting and supporting the local "Peel Cancer Trust" and encouraging other clubs Richmond and Kurrajong North Richmond to join in our support.
- This joint involvement will continue with the "Dream Cricket" Rotary project for handicapped children.
- The continued support of RYLA and RYPEN as well as PACE has been for us rewarding but the future holds some concerns.

Sapphire pins were awarded to Ken Lyons (43 years), Roy Duncombe (37 years), and Jim McMillan (42 years).

- Our thanks and support to Errol Newlyn and his committee in addressing membership which has resulted in four new members who we have no doubt will make their contribution to our club in the future.

A major milestone of Rotary was reached by four of our members, Mervyn Cross, Roy Duncombe, Ken Lyons and Jim McMillan receiving the honour of a Sapphire Pin. Each has been a member of Rotary for over 40 years but this award was for their committed service to Rotary for over 40 years, a wonderful example to all.

Our trust night was a record with over a hundred attending as was the cancer fund raising.

As our District 9690 ceases on 30th June 2013, the last District Governor Keith Roffey expressed on his visit "he was told it would be a highlight for him to have a Mayoral reception" and he confirmed that it was. Our thanks to our Mayor Kim Ford (a Rotarian) for his support in the Picket Fence and Streeton Park projects.

A parting gift from District 9690 to the Westmead Children's Hospital Wing of \$200,000 was proposed by District Governor Keith Roffey and we supported this with a donation of \$2000. I believe this support will continue.

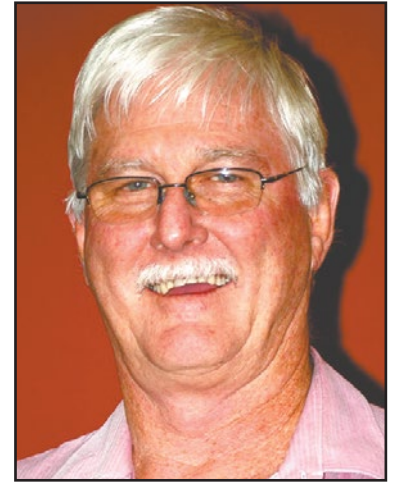

Without the extra commitment of Norm and Barry Gale, Trevor Whitmore, Bruce Thorne, John Gollan and Harry Grange, the club's fundraising would not have been maximised, we thank you.

# 2013-2014 President Laurie Rose

President Elect: John Gollan  
Secretary: Chris Veitch  
Treasurer: John Bradley  
Directors: Mike Norton  
Colin Mitchell  
Paul Barber  
Ross Miller

LAURIE Rose was the first President of Windsor Rotary Club in the newly established District 9685.

With a strong board mixing experience from the oldies with enthusiasm from the youngies, the team produced some great results.

Thanks largely to Chris Veitch's diligence, we ended the year with a President's Award with Distinction (we were one of about five clubs and the only one with a Distinction in the District).

John Gollan delivered our new major money-spinner, the Windsor Rotary Race Day. His hard work the previous year spawned \$30,000, much of which went to our Youth Trust.

Tony Miller's hard work saw the inaugural Bryson Anderson Award delivered at a spectacular event.

Col Mitchell continued RYLA, RYPEN and RYDA. We co-sponsored with Richmond Club creating the Hawkesbury Rotaract Club.

Greg Hoile raised money for Vanuatu, which went to the provision of a much needed boat.

Ross Miller worked hard for Membership and helped bring in new members.

Gary Baldry and his teams excelled with Graffiti Action leaving our local environs a visually happier place.

Bruce Thorne lead the hospitality team to delicious perfection.

Our keynote events Pride of Workmanship and the Youth Trust night were great nights with many deserved accolades.

So much for the regular achievements ... but there's more...

Tony Miller brought us Dream Cricket which was so heartening to watch.

The Golf Club got a defribulator (which hopefully they will not have to use).

Roy Duncombe lead the Rambling Rovers when we went camping around the countryside. Great companionship and frivolity.

Thank you to all my team who supported me totally. They were diligent, thorough and (sometimes) covered for me well. Thanks to my vice President who helped me steer a steady ship through my inexperienced waters. Thank you also to the Windsor Rotary Club members who were troopers in all that they did. Thank you also to the wives, partners and families of our Windsor Rotarians who often give so much.

All in all, a very good year from a great team!

Dream Cricket – clinics organised to provide a "game" of cricket for children with special needs.

# 2014-2015 President John Gollan

President Elect: Terry Munsey  
Secretary: Paul Barber  
Treasurer: Robert Bishop  
Directors: Barry Kennedy  
Greg Hoile  
Ed Sobiesiak  
Col Mitchell  
Ross Miller

THE Club's Rotary year commenced with the club honoured by District 9685 with a Presidential Citation with distinction to recognise the club for increased membership, service impact and expanding the clubs network during 2013-2014 Rotary year. Past President Laurie and the board were congratulated.

The club experienced a very smooth and successful year with thanks going to a very committed Rotary board and the supportive membership.

The year commenced with a highly profitable All Holden weekend at Hawkesbury Showground and concluded with the Pride of Workmanship Awards held at the Windsor Golf Club.

The club's second Projects Race Day held in February 2015 returned the club a \$39,000 windfall. thanks to the race day chairman, Harry Grange and the team for an excellent day with a great result for the club. From these funds the Youth Trust received \$15,000 and the Vanuatu Boat Project a further \$10,000.

The Dream Cricket Gala Day, for children with disabilities, held in October was a fantastic success and thanks went to Past President Tony Miller and committee for helping the children in the Hawkesbury have the opportunity to participate in sport.

Windsor Rotary had a really good year with the membership drive achieving an increase of 9% or

4 new members. The injection of Barry Kennedy into the membership drive by the Committee Chairman Ross Miller was a great strategic move. Sadly the club lost a long serving, very popular Sergeant at Arms with the passing of Merv Cross.

Highlights of the club's year were:

The Bryson Anderson Police Officer of the Year  
RYPEN, RYLA and RYDA participation

Christmas in July

The Graffiti Removal Program

Youth Trust Awards

Pride of Workmanship Awards

Hawkesbury Heart Start Project

Barefoot Bowls

Dream Cricket

District Conference

Windsor Rotary Club presented to the Westmead Children's Medical Research Institute a donation of \$6000 from the long term Picket Fence/Project Funds. This project has now been completed. Special thanks to all club members for giving their time and effort, where possible, in true Rotary spirit. A special club thank you went to Bruce Thorne and family of Rotary for the work done during the year.

Windsor Rotary looks forward to the leadership of Terry Munsey and his board and wish them a very successful 2015/2016 Rotary year.

A typical group of our recipients who receive some of the average \$9000 which is distributed yearly.

# Graffiti Removal Program

## The Beginning

From having a member of Turrumurra Rotary Club giving a presentation to our Rotary Club in early 2010 of the work they were doing to combat graffiti being put up in their local area, and the offer of assistance to help other Rotary Clubs to set up similar teams to remove graffiti in their own areas, Windsor Rotary Club's "Graffiti Removal Program" was born.

A further meeting was organised with the co-ordinator of the Turrumurra Club's program, which gave our members enough information and encouragement to take on the concepts of the program and make an appeal to Hawkesbury City Council to provide seed funding to get our program up and running.

## Our First Success

After asking Council to fund our program with a \$10,000 grant to purchase our purpose built trailer, equipment needed to remove graffiti and a load of consumables to do the job, and a presentation to Councilors by our members, we were successful in securing the amount requested.

The Council was very supportive of our concept and have remained very interested and appreciative of our work ever since.

## Ready to Go

With the funding now secured, it was time to make our concept a reality. The first meeting of the team leaders of the program was held on 17 January 2011 where arrangements were organised to purchase all the equipment and consumables that we would need to commence the removal of graffiti in our local areas.

It was decided by the group that the teams would carry out graffiti removal in areas that were prone to graffiti attacks, these being, Windsor, South Windsor, Bligh Park, McGraths Hill, Wilberforce

and Pitt Town. Other areas would be considered to be cleaned if requested by members of the community (clean ups have been done in other areas over the past years).

It was decided by the group that our official date for commencement of the program would be 1 March 2011 to allow enough time to have the trailer made and all other items purchased and to have the team leaders trained on removal methods and safety aspects of using the equipment and solutions to remove the graffiti.

During the lead up period our association with Dulux Australia was also formed, and they became our sponsor for all the paint that is used in the running of the program.

## Our Initial Sponsors

- Hawkesbury City Council
- Dulux Australia
- Trailers and More – Richmond
- Computer Cut Signs – McGraths Hill
- Precision Poly – Mulgrave
- CB Printing – Richmond
- Fitzgerald Motors – Windsor
- Cartez Superior Maintenance P/L
- Reelmen P/L

## The Program Begins

The commencement date of 1 March 2011 was also chosen to coincide with the first "NSW Graffiti Removal Day" organised by Keep Australia Beautiful.

Our first location to be cleaned up and the one that attracted media coverage, was the brick wall opposite the park at the end of the South Windsor shopping strip. This had been a favourite canvas for the local graffiti vandals.

## The Program Expands

During 2012, with the encouragement and guidance from Windsor Rotary Club, Kurrajong/ Nth Richmond Rotary Club set up their own graffiti removal program with the same seed funding from Council to get things underway.

With much enthusiasm and support from their club members, the Hawkesbury now had another area of its city where graffiti was being removed on a regular basis. This now meant that most of our major graffiti "hot spots" in our city were covered.

Only twelve months later, a graffiti removal trailer from another Rotary Club in Sydney (no longer being used by that Club) became available and

Club members Tony Miller, Garry Baldry (Program Coordinator), Mal Roughley and Terry Munsey receiving Australia Day Community Service Award for volunteer services.

offered to Windsor Rotary Club. With no need for a second trailer by our Club, Richmond Rotary Club was approached and they keenly took on the role of the third graffiti removal group in the Hawkesbury City area. This now meant that all of the major areas with graffiti vandalism had now been covered.

### The Program's Achievements

There have been many and varied achievements over the past five years of our running the program, and listed below are some of our more memorable ones:-

- In five short years we have been able to create our own and assist in the creation of two other Rotary Club graffiti removal groups in our city.
- During 2012 our Club's graffiti removal program was runner up in the NSW Volunteer of the Year Awards - sponsored by the NSW State Government
- Windsor Rotary Club's "Graffiti Removal Program" was awarded the 2013 Australia Day Community Service Award for volunteer services to our community.
- Our program received a "special achievement award" from the NSW Attorney General for having the largest group of volunteers and the largest area covered on the "2014 Graffiti Removal Day" organised by Rotary Down Under.
- A program called "DTAG" was developed between Windsor Rotary Club, Hawkesbury Command of the NSW Police Force, Attorney General's Department, local Youth Services and Hawkesbury Council, to have prosecuted graffiti vandals perform their assigned "community service agreements" removing graffiti with our graffiti removal teams.
- Over 6,000 square meters of graffiti has been removed from walls and other public and private infrastructure in our City in the past five years by our volunteers.
- In excess of \$120,000 of commercial costs for graffiti removal has been saved by our community because of the efforts of the volunteer

graffiti removal teams and our sponsors.

- It is estimated that over \$28,000 worth of paint has been donated to our Club by Dulux Australia to assist our program in removing graffiti from our City. We are truly grateful for this, as the program would not be able to exist without this support.

### Summing Up

The graffiti removal program can only be considered as a great success and one that is appreciated and admired by our community, our local and state government representatives, the local NSW Police and Court representatives, and one that our Rotary Club members are truly proud to be part of.

Over the past five years the success of the program can easily be measured by the ever diminishing amount of graffiti that is evident in our City, and the fact that many of what were considered "hot spots", are either not being vandalised, or are very infrequently used to display graffiti any longer.

*Garry Baldry  
Graffiti Removal Program Co-ordinator  
Rotary Club of Windsor*

# Youth Foundation Trust Report 2006-2015

Chairman: Norman Gale  
Trustees: Ross Miller, Christine Paine,  
Brian Speechley

THE Rotary Club of Windsor Youth Foundation Trust was conceived by Past Presidents Graham Price and Ross Miller in 1984, to assist and develop the youth of the Hawkesbury.

To raise funds for the establishment of the Trust, members of our Club sold spent mushroom compost donated by PP Graham Price.

After 10 years of tireless effort, \$130,000 had been raised and these funds became the initial investment for the launch of the Trust.

On 10th May, 1995, with the signing of the Trust Deed, the Rotary Club of Windsor Youth Foundation Trust was formally established.

During the 20 years since its inception, through diligent investment, support from the Rotary Club, donations from other sources and funds raised through a 'Money Spinner' purchased in 2008 and placed in 'Riverview Shopping Centre', the amount invested at 30th June, 2015 has increased to \$304,334.59.

The Trustees acknowledge the tremendous support given by Presidents, Directors and Members of the Rotary Club of Windsor since the establishment of the Trust.

We are especially grateful for the two large donations forthcoming from the Club's Race Day projects in 2014 and 2015.

It should be noted that not only has the principle grown to more than \$300,000, over its 20 years,

the Trust has also distributed in excess of \$160,000 (which exceeds the initial investment) to assist the youth of our community.

Over the years, grants have assisted young people to achieve their goals in many walks of life, including a current NRL player, a former Olympian, a disabled wheelchair athlete and others to complete their schooling.

In the 10 years since the Rotary Club's Golden Jubilee in 2005, the Trustees have approved 144 grants totaling \$90,809.

Year	No. of Grants	Total Amount
2006	10	5,618.00
2007	19	8,315.00
2008	15	7,847.00
2009	14	8,545.00
2010	15	10,517.00
2011	16	12,024.0
2012	17	10,369.00
2013	10	8,356.00

Without doubt, the original goals and aims of the Trust have been fulfilled and with its strong financial situation, will continue to do so for many years to come.

## Bryson Anderson Award

WITH the premature death of Superintendant Bryson Anderson who was close to our club and a friend of many of our members, much thought was given to how we could honour his life that was so unnecessarily taken.

It was proposed to the L.A.C. that Windsor Rotary would give an annual award to the outstanding police officer in the Hawkesbury L.A.C. This proposal was welcomed and accepted and is now part of the process for the selection of the N.S.W. police officer of the year. An awardee is then entered as our candidate for the State Award.

In addition it has been our practice to donate \$1,000.00 each year to Police Legacy in recognition of the service our police make to our community.

Hawkesbury Area Police Officer of the Year 2015, Rebekah Barlow (centre), pictured with Donna Anderson and Hawkesbury LAC Steve Egginton.

# Community and Special Group Projects in full swing

## Dream Cricket for Children with Disabilities

DREAM Cricket is a development program initiative of the Movement Disorder Foundation, the Bradman Foundation and the combined Rotary Clubs of the Southern Highlands of NSW.

Windsor Rotary realised that there was an opportunity to provide a “game” of cricket to children who had been told they could never play this game.

By interviewing primary schools in our district, we found that there were special units for helping kids with disabilities. These teaching units were very enthusiastic about this concept and soon supported the clinics we organised to deliver Dream Cricket to the children with special needs in the Hawkesbury.

With the support of the Bradman Foundation we had our first major gala cricket day in October 2014 on the Richmond Oval where 78 children participated. In 2015, 96 children enjoyed this day and the medallion each child receives for participating is a great highlight of the day for them.

The empathy shown by the senior students who helped on the day demonstrated that it was a learning process for them and will benefit their personal character development for the future.

Dream Cricket is now being played in the schools as their sport's day activity which is providing all year involvement in a sport they can actually participate in.

## Streeton Lookout

A FAMOUS painting by Arthur Streeton of the Hawkesbury River from Freemans Reach was painted from the site where the lookout has been built to capture the identical view.

As a tourist attraction it had limited appeal due to the presentation of the site and lack of funds and time to maintain it.

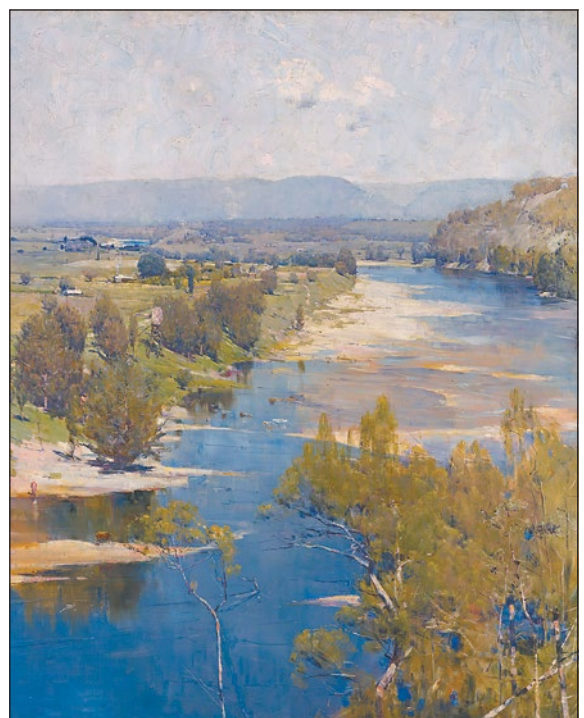

Windsor Rotary joined with the Council to address this issue.

We agreed to landscape the site and fix, renew, or create signage to maximise the location and it's appeal to the tourists visiting the Hawkesbury.

As part of Windsor Rotary's commitment, we will maintain the park to maximise it's presentation by ensuring upkeep will be carried out over a 12 month period.

The Hawkesbury Council has welcomed our involvement as their resources can only go so far with an area the size of the Hawkesbury, but they have supplied all the plants we require to carry out the planting of the designated area.

Our involvement requires funds as well as the voluntary commitment and time of our members.
