Through more than US\$95 million in Rotary Foundation grants each year, Rotary clubs support community projects at home and abroad. Known as the world's largest provider of international education scholarships, The Rotary Foundation funds more than 1,000 students annually to study overseas and act as cultural ambassadors. Rotary also partner with eight prestigious universities around the globe to educate midcareer professionals in peace and conflict resolution.

PolioPlus is Rotary's flagship program. Rotary club members will contribute US\$600 million and countless volunteer hours to help immunize over two billion children against polio by Rotary's Eradication Initiative include the World Health Organization, Rotary International, U.S. Centres for Disease Control and Prevention, and UNICEF. Founded in Chicago in 1905 as the worlds first volunteer service organisation, Rotary quickly expanded around the globe. Clubs meet weekly for fellowship to discuss local and global topics.
