

The Rotary Reflection Garden

Alpharetta North Park

***Built and maintained by the Rotary Club of North Fulton
(northfultonrotary.org)***

Have you heard? The Rotary Club of North Fulton built a tranquil woodland garden at Alpharetta North Park for use by the community at large. Enjoy the serene setting, rest your feet, and reflect upon your life's experiences, relationships, goals, and opportunities.

The garden includes the use of brick pavers to beautify and define the space. You can be a part of the ever growing garden by making a \$100 donation to recognize a person(s), family, or organization that has had a tremendous impact on your life, or to request a meaningful quote or saying of peace and serenity.

The garden is within North Park in a quiet alcove surrounded by trees behind the pond located between the tennis courts and field #2. This location provides natural beauty and connectivity to the Meditation Trail of St. Aidan's Episcopal Church.
