

WESTHAVEN VIEW

Vol. 24 Issue 10 : April 2019

April 9th, Lisa McCall—NZHL Home Loans

Keeping it in the whanau, NZHL business owner Lisa McCall gave us an insight into what she can offer her customers. NZHL is a franchise business with over 70 branches throughout the country.

NZHL focuses on getting people out of debt faster—"not something which is in the bank's interest", she said.

Currently NZHL is saving its clients \$42,887.00 in interest purely by using the debt management tools NZHL provides. Generally Lisa can save an average Auckland home owner 10 years and over \$100,000 in interest repayments. Now there is some food for thought!

Rather than being just a mortgage provider, Lisa loves nothing more than to work with her clients, teaching them how to take control of their financial well-being. Lisa has owned her business for over 5 years, she has been working with NZHL for 8 years and has been involved in the banking industry for over 30 years so she is an expert in her field.

If you are in the market to purchase a property, or re-finance your existing mortgage or to discuss any aspect of your financial future, please contact Lisa. Her email is lisa.mccall@nzhomeloans.co.nz and she would love to hear from you. Being the awesome supporter of Rotary Westhaven that she is, mention us and she will donate the \$250 administration fee to the club. So it'll be a win for you and for us!

Upcoming Speakers

14th May—RYLA candidates Ana Manavahetau (Auckland City Mission) & Rebecca Sullivan (Ngāti Whātua-ō-Ōrākei)

Dictionaries and Duffy Books in Homes

Below are a few photos from the Duffy Books Role Model assembly at St Josephs School recently.

Elaine Mead with Year 6 students at Freemans Bay Primary School, holding their new dictionaries.

Elaine Mead and **Charlie Inggs** from Rotary Westhaven Club presenting dictionaries to Year 4 students at St. Josephs Primary School.

Happy students at Freemans Bay Primary School

Duffy Books Role Model Speaker, Linda Vagana (international netball coach and former NZ representative player) with students from St Joseph's School.

Himalayan Leaky Foundation/Rotary District Conference

Rotary Westhaven member and Himalayan Leaky Foundation (HLF) Co-founder, **Clare McCall**, has spoken at several events raising awareness of HLF's work, most recently the Rotary District Conference (12—14 April). Clare was able to update the audience on the Thamdanda Integrated Water and Sanitation Project .

April Update: Water & Sanitation Project, Nepal

As soon as the Rotary Global Grant was approved, the team got right to work and a Project Introductory Workshop was held with HLF team members, local community, Water Users Committee Executive Members, local leaders, social workers, our project partner, Rotary Club of Kavre-Banepa and a technical team from TA Consulting (see photo next page). Following this successful

workshop, some members also visited the water source and various sites of construction implementation. Over 60 of the local community attended the workshop and are very enthusiastic, interested and happy about the project and its implementation. Due to the many different languages spoken within Nepal, we found that the community members wanted to interact more with our indigenous speaking Tamang HLF team, as most of the elders and women cannot understand or speak the more common Nepali language spoken in the meetings. We are in the process of organising an overnight stay in the village so we can ensure everyone understands exactly what is happening.

The engineering teams have been conducting a series of meetings regarding the components of the project, detailed design, drawings, requirements of man power, materials and its brand with standardisation. Everything is progressing well and field work and procurement of materials are underway!

Community Consultation and pipeline location planning

Welcome Back Charlie!

Returning Rotarian, Charlie Inggs got his new name badge this month. Great to have you back Charlie.

Congratulations!

Rotary Westhaven were happy to pick up the district 'Bulletin Award' at conference and it's home for the next year will be on the desk of Alison Whybro, Clare's PA at JC McCall who pulls this together for us. Thanks for all your help Alison. Thank you too, Elaine Mead for your editing and proof-reading assistance— a great team effort all round :)

Women in Rotary

Club members Elaine Mead and Georgina Richards joined a hardy group of around 60 people for the 'Women in Rotary' walk on 6 April, to celebrate 30 years since women became members of Rotary. To date, two of our Rotary Westhaven wahine (Clare and Georgina) have profiles in the ['Women in Rotary' series](#) on the Rotary Oceania website.
