Spring Lake-Brielle

supporting your community . . .

Rotary is a global network of community volunteers. Rotary members are business, professional and community leaders who provide humanitarian service, encourage high ethical standards, and help build goodwill and peace in the world.

More than 32,000 Rotary Clubs in 200+ countries initiate service projects to address today's challenges including literacy, disease, hunger, poverty, lack of clean water and environmental concerns.

Our Spring Lake-Brielle club's projects are aimed at local, national and international needs. In 2019 we donated over \$25,000 to over 25 causes. Attached is listing of projects.

We meet each week, including three mornings and one evening social gathering each month, plus special events during the year. Typically the morning meetings include guest speakers.

Dues are to be paid quarterly and include the Rotary International, Rotary District 7505 and local club dues. The quarterly dues are \$230.00 in January and July, and \$155.00 in April and October which includes breakfast or evening cocktail fare.

We are a friendly and fun group!

We welcome you be our guest at one of our meetings.

The attached application can be emailed or mailed.
