

“Service Above Self”

*The Rotary Club of Spring Lake-Brielle  
Chartered in 1962*

Rotary is a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change, across the globe, in our communities, and in ourselves.

The Spring Lake-Brielle Rotary has donated close to a million dollars to local communities most needy people and organizations.

We have granted over \$250,000.00 in scholarships grants to local students. Our ongoing support of local foodbanks and pantries with financial assistance, volunteer time and equipment purchases has enabled these organizations to better serve the food insecure in our local communities. (See a list of our donations, endowments attached).

The Spring Lake-Brielle Rotary has two major fund raising raffles, a calendar raffle starting January of each year and a Lottery Board Raffle starting in the summer, with the drawing in mid September. We have a vigorous volunteer network where we assist local organizations with what help they require. We also give back to our towns with our yearly Presidents Project, we have purchased Automated External Defibrillators, freezers and refrigerators along with bike safety stations. Computers and lighting fixtures for libraries.

We are always looking for new members and new ideas on how to raise money so we can give it back and live our motto of Service above Self.
