Dear Rotary Supporter:

We are asking for assistance in making our Annual Car Event a Huge Success!

How can you assist? Monetary contribution for the Trophy Awards. The Donations will help offset some of our expenses. Keep in mind that profits from the Car Show go to Rotary Scholarships for Point Pleasant students, the DARE program, and other charities throughout the Point Pleasant Boro Community. Your donations go to the Stars of the Show, our participants, who have some of the finest show cars and trucks in the tri-state area.

Platinum Sponsor  investorsBank

Last year 265 Display Cars and over 3,000 Spectators attended the show. All donors are given credit for their donations. Both at the car show and in the Coast Star Newspaper the week after the show.

The Point Pleasant Boro Rotary Club Appreciates your continued support in putting on this great car show. Please try to assist us in making this year's show even bigger and better.

Thank You!
