The Medford -Vincentown Rotary Club is doing great things within this community and throughout the world but without your support we cannot continue our mission. From eradicating Polio worldwide to helping a local family in need, the impact of your support is profound. We have even given out more than \$100,000 in scholarships to local students, and millions to various charities over our past 75 years. We are your Rotary Club, and with your help we can make a difference in the world.

Support your
Medford-Vincentown Rotary

Business Sponsors Needed
Help us Help Your Community
Get recognition as well with inclusion on the course, in the program and on the club's website!
