

The Rotary Club of Eaglehawk Inc.
VICTORIA, AUSTRALIA

Charter Granted August 8th, 1966.

District 9800

2020-2021

ROTARY INTERNATIONAL PRESIDENT: HOLGER KNARACH

Rotary Opens Opportunities

THE ROTARY INTERNATIONAL THEME 2020-2021

PRESIDENT'S REPORT 2020-2021

PRESIDENT MICK COSTELLO

Well, what can I say about my year as President of the Rotary Club of Eaglehawk?

It has been a year like no other. When I put my hand up to be President and found out it was going to be the Centenary of Rotary in Australia, I thought what an honour it would be to be known as the Centenary President of our Club. Well, COVID turned it to upside down. The restrictions around meetings and being able to do things in our Community were seriously affected. But the qualities of our remaining members helped us survive.

I was lucky to have attended 2 of the President Elect Training Sessions before these were cancelled. The main points I took away from these sessions was, as President of your Club, you are there to serve the club and not to change your personality to suit the position.

These 2 points are what I have endeavoured to use during my year as your President. I am not one who takes life too seriously, preferring to enjoy myself and hopefully encourage others to enjoy the experience and I am here to serve you, as the club members.

Firstly, I would like to acknowledge the work of Past President John Jones who led us through the early stages of COVID setting up Zoom meetings, taking on the Secretary position after the sudden resignation of our Secretary and instigating the running of the Grange Raffle on short notice. As sales are mainly online, it was about all we could do as a fundraiser. It raised about \$8000.00 for our club.

Also, I would like to thank the support of the board this year. It has been a difficult year with all the restrictions and a number of long-term members resigning from our club. But I feel we have stuck together and stayed firm to our belief, that as a club, we were changing for the better.

I would like to thank all the remaining members and the new members for sticking with us and putting up with my different way of running our meetings. As well as some of the different meeting nights (i.e. Games Night) I have tried to make things interesting and enjoyable.

I would also like to take this opportunity to congratulate PP Ron Payne PHF on his seeking nomination for District Governor and being accepted into the role 2023- 2024. What an honour it is for our club to have District Governor Ron Payne as one of our members. A small regional club to have had 2 District Governors come from within, is such a feat.

Also, in this Rotary year we had three members who had died, Joe Cogo, July 2020, Bill Slee November 2020 also Gordon McKern in November 2020, I like to take this opportunity to acknowledge and thank them and their Families for their years of service to Rotary and our community.

We were lucky to have three new members join, they being Lynne Cooper and Mary Preston, both from the disbanded Club of Bendigo Strathdale. We also welcomed Eric Smith as a new member.

Finally, I wish Gary as incoming President all the best in the coming year I know we are going in the right direction. With us coming out of the year as survivors and the new vibe around our Club, I can see a very bright future for the Rotary Club of Eaglehawk.

Thank you all for the opportunity to serve as your President for 2020- 2021. I acknowledge we have had a lot of ups and downs over the year, but I have enjoyed the experience and have definitely grown from being your President.

Thank You

Mick Costello

Outgoing President and Centenary President of the Rotary Club of Eaglehawk

Object of Rotary

The object of Rotary is to encourage and foster the ideal of Service as a basis of worthy enterprise and, in particular, to foster and encourage:

First: The development of acquaintance as an opportunity for service.

Second: High ethical standards in business and professions; the recognition of worthiness of all useful occupations; and the dignifying by each Rotarian of his occupation as an opportunity to serve society.

Third: The application of the ideal of service by every Rotarian to his personal, business and community life.

Fourth: The advancement of international understanding and goodwill, and peace through a world fellowship of business and professional people united in the ideal of service.

EXECUTIVE ASSISTANT

P.P. ALISON BACON

Club Web Site

The Club Website www.eaglehawkrotary.org.au has been operating through the Club Runner Software for close to two years now and we enjoy the benefit of full control over the content and have avoided the expense of engaging a third party to manage content uploads or program changes. We are yet to fully explore the full potential of the features available to us, however the feature stories and story archive along with the inclusion of club bulletins being uploaded regularly have already provided a great source of information for not only our members, but the public as well. The recent inclusion of all annual reports since 2003 has added yet another feature that is a valuable tool for our club in the promotion of the work our club undertakes within the community. The addition some time ago of downloadable booking forms for hiring the Mechanics Facility has been quite a bonus, its simplifying of the process is very much appreciated by our casual hirers.

Facebook

The club's face book page has cemented itself as an avenue for club promotion and community connection. We continue to strive for quality posts that feature either upcoming programs and projects or reports on the events we've undertaken. This provides a means for sharing of information

in a space that reaches a broader and more diverse audience than our web page. Both forms of social media play a very important role in our ability to engage with members of the community who rely heavily on their mobile devices for receiving news and current events, locally or further afield.

Rotary International and D9800

Both of these levels of Rotary have provided excellent content and resources throughout the last year when it was so important for our members to continue to feel connected to Rotary. We were well supported by District in their provision of some extremely good content driven zoom meetings and our members had the opportunity to participate in a way that ensured we stayed both connected and engaged with Rotary.

Bulletins

Congratulations to President Mick for producing his weekly reports that formed the basis of our weekly bulletins which are sent out to members. The inclusion of many informative articles and stories from District 9800 as well as Rotary International helped us all in the realisation that Rotary is such a great organisation. All members are encouraged to contribute articles and news items and we thank those who have regularly contributed, this ensures it is a great weekly update on the happenings of our club, Cluster and District.

Mechanics Facility Bookings

The use of our Mechanics facility wasn't possible until earlier in 2021 and even then it has been somewhat interrupted with the various restrictions placed upon us due to our need to comply with the health requirements. The assistance and

guidance from the City of Greater Bendigo has been paramount in us meeting our obligations and we are extremely appreciative of those council officers who have always been available with help and advice. The ongoing agreement with the Stroke Association of Victoria is meaning that the facility is used on a daily basis and provides a great service for the people of Eaglehawk and Bendigo. Our regular user groups include the Eaglehawk Probus Club, Line Dancing Group, a Housing Co-operative Group and several additional groups hire on a casual basis as required. Based on the number of enquiries for hiring of the facility it would seem that we are now very much on the radar as a venue that is a great option for a variety of events and functions.

PP Alison Bacon PHF
Executive Support 2020/2021

INTERNATIONAL SERVICE

DIRECTOR: JOHN JONES

Our activities internationally have been significantly constrained through the impact of Covid-19. In particular it limited our capacity to fundraise and so contribute to international programs. The major fundraiser for international programs has been the Christmas raffle. This year we chose to forgo our monster Christmas Stocking raffle and to combine with the Rotary Club of Bendigo South to take on the Christmas Trailer raffle. The restrictions imposed through Covid restrictions meant that this was not able to proceed.

We have maintained our commitment to the Pattaya Orphanage and the Father Ray Foundation. This will be reviewed in the coming year but I am confident that the relationship will continue in some form.

Our major involvement has been through our relationship with Maubisse in Timor Leste. We continue to support four tertiary scholarships and, in addition, have funded ten secondary school scholarships. It was gratifying to note that our first tertiary scholarship recipient, Mizela, has completed the academic component of her degree and is now a practising midwife. One of our recipients has withdrawn from her tertiary studies but has subsequently been replaced with another worthy recipient.

Our students in Dili and Maubisse have been challenged through the impact of Covid-19 with the university and the secondary school closed for extended periods of time. This has been further compounded with severe climatic conditions with widespread damage to roads, buildings and infrastructure.

Our close relationship with the Bendigo Maubisse Friendship Committee will allow us to further progress our relationship with the Maubisse community and we look forward to working with them into the future.

The challenge continues to be to maintain a balance between our commitments to our local, national and international communities. I am confident that, with the quality of our membership and our innovative fundraising programs, we will be able to meet those challenges.

John P Jones
Director, International Service

Definition of Rotary

Rotary is an organization of business and professional leaders united worldwide, who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world.

There are approximately 1.204 million Rotarians, members of more than 35,907 Rotary clubs in 220 countries.

THE ROTARY FOUNDATION

DIRECTOR: RON PAYNE

The 2020-21 Rotary year has been most challenging for all in the organisation, not the least being in terms of our capacity to raise funds towards the work we do in support of The Rotary Foundation.

While the reduced membership within our club has had a direct impact upon the level of personal giving to the Foundation, it is pleasing to note that our club giving efforts have remained at a relatively high level. Our Board again made the significant contribution of \$5000.00 towards the Annual Fund and our club fundraising efforts towards 'End Polio' totalled \$1128.00. These are very admirable achievements.

Historically our club has been a leader across our District in terms of our membership of the Paul Harris Society. Bereavement and resignation have however had an impact on that in recent years with our number of PHS members now being just three, with PP Ron Payne having become a member in this Rotary year.

During the year we endeavoured to increase member understanding of The Rotary Foundation through presentations by our District Foundation Chair, PDG Murray Verso, our Paul Harris Society Chair, PDG Julie Mason and Club Foundation Chair, AG Ron Payne. Further work in support of this will be conducted for members in the coming year.

The 2021-22 year sees some very achievable goals being set for our continued work in Foundation. We aim to maintain the Annual Fund contribution made by the club of \$5000.00.

Efforts will be undertaken in line with the District 9800 'WalkWithUs' initiative to raise funds specifically for the ongoing End Polio campaign. The developing online dimension of this cause will hopefully encourage broader involvement and will be strongly promoted and extended into the broader Eaglehawk community.

Membership to the Paul Harris Society will be further promoted and encouraged among our members. A goal of having 100% club member involvement as either a Centurion (\$100 contribution within the year) or Every Rotarian Every Year (any level of contribution towards TRF within the year) is a target within the reach of every member.

My thanks to the club, to members and to those families who give ongoing support to The Rotary Foundation. It is through the Foundation that we are able to apply for and receive grants to enhance our efforts to ***'Do Good in the World'*** and I encourage your continued support of what is effectively Rotary's own charity.

Ron Payne
Foundation Director 2020-21

YOUTH SERVICES REPORT

DIRECTOR: MICK COSTELLO

Youth activities for our club have been seriously curtailed this year due to COVID restrictions with the Rotary Exchange Program cancelled and a lot of the other programs such as Rotary Youth Forum, Rotary Youth Leadership Awards and the National Youth Science Forum all being either cancelled or having to be run as an online program. We contributed \$1000.00 to the Bendigo Cluster for this year's National Youth Science Forum.

One of our early club zoom meeting we had our most recent past exchange students Victor Saelens from Lillie in France and Luisa Flinkman from Essen in Germany join us via ZOOM talking about their experience with COVID. It was a real thrill to be able to see them again and get their prospective of what Europe was going through with COVID.

One of the most positive things that have happen in our club is Lynne Cooper joining our Club after Bendigo Strathdale Club was disbanded. Lynne has a real commitment to the youth programs run through Rotary. Lynne will certainly be a great assist to our club.

We had continued our School Scholarship Program providing scholarships to our local schools being California Gully Primary School, Eaglehawk Primary School, Eaglehawk North Primary School, Lightning Reef Primary School, St. Liborius School and Raywood Primary School. As well as \$1200.00 in Scholarships for Eaglehawk Secondary College.

A new initiative this year instigated by Alison Bacon is to provide a show bag for all prep students at our local schools.

These contain colouring pencils, notebook, pencil case, dice and a gift voucher for the Rotary Bookshop. These should be delivered before the end of the Financial Year.

Mick Costello
Youth Director

MEMBERSHIP

DIRECTOR: Gary Frank

This past year we started with Covid and we saw some long term members leave the Club for many varied reasons.

As we were not meeting in person, this proved difficult to attract new members and to keep the attention of older members. However the Club rallied and under the guidance of Pres. Mick Costello, we found three new members which brought our numbers up to twenty-seven members.

More important than numbers, is that our spirit is strong with a new member in the wings and a great vibe around the Club for a promising year ahead.

Rotarian Gary Frank

COMMUNITY SERVICE

DIRECTOR: GOEFF GALLAGHER

The start of my first year as Community Services Director varied between very little happening to being incredibly busy. Toss in 3 hospital admissions and convalescence which put me out of action for several weeks.

August 2020

With the COVID lockdown in place when I took over there was not much to report as far as community issues were concerned.

I virtually attended the Eaglehawk Dahlia and Arts AGM via Zoom.

Rotary was well represented with Trevor Lock, Anne Scott and I, "in attendance"

The festival is in a very good financial state and all board positions were reappointed.

The committee is in hopeful expectation that the festival will be conducted in 2021.

A Zoom meeting for prospective council candidates for the Whipstick ward as proposed by Leon Scott was discussed. After consultation with a senior Rotarian and hearing the views of all board members this was not considered a role for our Rotary club, it was decided not to proceed any further with the proposal.

Correspondence received from Sue Foley who is the district chair of Community Service, stating that she will be sending a communication regarding several wonderful community services projects in due course.

October 2020

Myeloma Australia support project. (ROMP)

A recent Zoom meeting conducted by the Rotary Club of Camberwell was well attended with members from Camberwell, Horsham, Horsham East, Nhill, Warracknabeal Alfredton and me along with 6 staff from Myeloma Australia.

This project seems to be an easy one, with our role to support the Myeloma support team with current brochures and promotion.

The aim of the foundation is to have the involvement of Rotary in 9 areas in country Victoria.

Zoom meetings are to be conducted each month.

PDG Don Jago welcomed everyone and thanked them for their support for ROMP and regional myeloma communities. He looked forward to working with our regional Rotary friends and Myeloma Australia in this important community cause.

The ROMP aspiration was to recruit at least two clubs from each of the nine country regions. This would deliver a membership for the ROMP Forum of eighteen Rotary Clubs. The committee is continuing to pursue all other regions. The Rotary Club of Swan Hill had recently expressed interest.

Preliminary work has started on the Lightning Hill Lookout project with site visits and video recording. Many thanks to Brian Fitzpatrick.

November 2020

Two submissions have been forwarded to the government for funding for branded merchandise and for COVID-19 equipment for Australia Day. Each submission was for \$1,000.00. I am waiting for acceptance of each grant.

President Mick and I attended a zoom meeting for the second of the monthly Myeloma Australia forums. This meeting was not as well attended as the first, however a good

representation of Myeloma Australia staff and Rotary members were in attendance. I said to the facilitator that our club would have an answer for them as to our commitment after our upcoming board meeting.

Feb 2021

It was decided at board level to cancel the usual Australia Day celebrations in the park due to the COVID restrictions.

It was an expectation of the City of Greater Bendigo council that we run a “ticketed event” and we felt that this was beyond our expertise.

We all felt that Australia Day and our Citizen of the year celebrations needed to be recognized in a suitable manner.

It was decided that the mechanics Institute was a suitable and familiar environment as well as a controlled atmosphere, making it an excellent choice for COVID compliance.

As we were limited to 50 participants it was an invitation only event, the invitation was extended to Eric Smith (Our Eaglehawk Citizen of the year) and his family, members of the Eaglehawk Fire Brigade (who arrived in uniform and on a shiny red fire truck, sans siren) Committee members of the Dahlia and Arts Festival and members of the Eaglehawk Rotary Club. Along with government representatives.

In my opinion the day was an outstanding success.

The Master of Ceremonies was Sheamus Haugh who did a fantastic job, both on the day and in the lead up to the day, with his press releases and his diligent and thorough preparation.

Acknowledgement of country was performed by Anne Conway.

We had council representation with Councillor David Fagg along with Federal Government representation with the Honorable Lisa Chesters. All of whom spoke brilliantly.

Our Citizen of the year was Eric Smith who had served many years as a volunteer and paid employee of the CFA, I feel sure that Eric was a most deserved recipient of the award.

Eric was very proud yet humble in accepting his award.

The catering on the day was provided by Café Essence and a coffee van was in attendance to satisfy our caffeine dependence. Our musical accompaniment had managed to get lost and Advance Australia Fair was performed by all in attendance A cappella. An unexpected but brilliant rendition. The music was appreciated once Luke Harrington arrived.

Many thanks to all who had helped prepare for the day. In particular, Tim Watts for preparing risk assessments and COVID safe assessments.

Carolyn Robinson for her expert and fastidious floral decorations.

John Jones for brilliantly organizing the catering and music on short notice.

Rotary members for setting up and cleaning up the hall. And especially Seamus Haugh for his professionalism, Seamus was the one who made us all look as though we knew what we were doing.

We were fortunate to receive a grant via Rotary district to cover expenses incurred and as a result funding from the COGB was not required.

March 2021

Easter Saturday saw us in a carpark in Bendigo catering for the Citroen Car Clubs annual get-together.

A terrific assortment of Citroen vehicles descended on Bendigo from NSW, SA, TAS and of course VIC.

We provided hamburgers, sausages and chicken steaks with a wide variety of sauces and a selection of salads.

We also provided a vegetarian option which was greatly appreciated. We competently catered for a huge assortment of special dietary requirements.

The comments from the patrons were very positive. We served up 150+ meals at \$12.00/head which gave us a profit in excess of \$1,350.00

We had a great team behind us, and it worked out at about \$40.00/hr. for our labour, a truly great effort.

Huge thanks to all concerned especially to John Jones for his effort in organizing this event. And special thanks to President Mick for all his running about whilst I convalesced.

The Myeloma Support Group used our clubrooms for their first meeting since COVID took hold last March. We decided at board level to offer our clubrooms at no cost until they were able to resume meeting at the Bendigo Hospital. Future dates are 10th June 12th Aug 14th Oct and 9th Dec. Thanks again to President Mick who provided access to the group on the day.

We were approached by Bunnings to run a BBQ over the weekend for groups who were unable to attend. We selected Saturday and had a marvellous response from our members at very short notice. Our effort raised \$888.00, and this worked out at over \$28.00/ hour. Another brilliant effort.

Thanks again to all concerned and to President Mick who did most of the organizing.

We can take pride in the fact that we are now on Bunnings short list and that we are capable of competently providing our services at such short notice.

May 2021

The moving of furniture for an Eaglehawk resident in preparation for painting by President Mick and PE Gary Frank was greatly appreciated. The cup of coffee afterwards highlighted the significance of the event for the recipient.

A Big thanks to Mick for organizing and running the BBQ at the recent Car boot sale also to John Jones who was head chef.

I wish to recognize the huge support that President Mick has given me in the past 12 months, without his support and hard work, I could not have achieved what I have. I look forward to working with Gary and the team in the next Rotary year.

Geoff Gallagher
Community Services Director.

Rotary Four Way Test

- 1. Is it the truth?**
- 2. Is it fair to all concerned?**
- 3. Will it build goodwill and better friendships?**
- 4. Will it be beneficial to all concerned?**

ROTARY BOOK STORE

30 High Street, Eaglehawk

OPEN Saturdays 10.00 am-12 noon

Now in its 7th year, the bookshop continues to trade successfully. Generous donations keep the shelves well stocked with books, DVDs and CDs.

Some Interesting highlights from 2020/21

The Nativity Scene, usually a feature on the balcony of the Town Hall (now Star Cinema) was displayed in the bookshop window.

The prep goody bags distributed to six primary schools contained \$5.00 vouchers for the Book Shop, which will hopefully foster a new generation of readers.

Helped in establishing a "Street Library" on the veranda of the Mechanics with other venues to follow

A \$3,000 donation to the Dolly Parton Imagination Library.

Thank you to my family for their support and the members, as their attendance shows we can do more than cook sausages.

Well done President Mick, you carried the club through a difficult year.

Rita O'Brien

First Rotary Club

On the evening of February 23, 1905, Paul Harris and three friends, Sylvester Schiele, Gustavus Loehr, and Hiram Shorey, met in Loehr's business office in Room 711 of the Unity Building in downtown Chicago to discuss Paul's idea that businessmen should get together periodically for camaraderie and to enlarge their circle of business and professional acquaintances.

From their discussion came the idea for a men's club which would meet weekly and whose membership would be limited to one representative from each business and profession. After enlisting a fifth member, Harry Ruggles, the group was formally organized as the Rotary Club of Chicago. By the end of 1905, the club's roster showed a membership of 30 with Sylvester Schiele as president and Ruggles as treasurer. Paul Harris declined office in the new club and didn't become its president until two years later.

EAGLE AWARD

An award donated by the Sutcliffe Family, to be awarded to a non-board member who has given outstanding service to the club during the year.
