Due to our bulletin editor being way too efficient last week – the bulletin was sent before the President's report was included – so this week we have a bonus edition of two President's reports (actually it's one President but two of his reports)

Mick's Quote of last Week

"The Rotary Foundation is not to build monuments of brick and stone. If we work upon marble, it will perish; if we work on brass, time will efface it; if we rear temples they will crumble into dust; but if we work upon immortal minds...we are engraving on those tablets something that will brighten all eternity." 20 Feb 2017

Hi all, sorry about no Presidents report last week, but no one picked up the fact that the bulletin was not sent until Thursday. Life has been a bit hectic in the Costello house hold of late, getting the bathroom renovated and busy with work, I ran out of time.

This week we enjoyed Ron Payne 2023-2024 District Governor and Julie Mason Past District Governor talk on our Rotary Foundation and how it works and can work for us.

Julie also presented Ron with a certificate recognising his entry into the Paul Harris Society – an annual financial commitment to our Foundation that greatly enhances the foundation's ability to continue providing funds for the many projects being undertaken in the name of rotary.

Well done Ron.

We had a Bunnings BBQ last weekend with great club involvement, Well done everyone involved for a great achievement – realising a profit of \$888.

This week Doug Harrison will be presenting our ANZAC Day address. Thanks again Doug for doing this for us.

ANZAC day Sunday and Past President John Jones will be laying the Wreath on behalf of Our Rotary Club as I am flying off over the ditch to New Zealand and will be attending an ANZAC day there. Hope to come back with a different prospective of ANZAC Day.

#### Mick's Quote of this Week

"They shall grow not old, as we that are left grow old; Age shall not weary them, nor the years condemn. At the going down of the sun and in the morning We will remember them."

Well I had to get in early this week so as I didn't miss the boat (or in my instance the Plane), as last week the bulletin was sent before I had done my report.

What a great night we had on Wednesday inducting 2 new members to our club, Mary Preston (joining us from Bendigo Strathdale) and Eric Smith. Both are well known Eaglehawk identities and I know they will both be incredible assets to our Club.

I look forward to working alongside both of you in the future.

This week's program was Doug Harrison (one of our club's Rotarians) giving us his ANZAC Day Address, Doug served in the Army during the Vietnam War spending 11 months on the front line at Long Tan.

During Doug's address you could have heard a pin drop; everyone was very moved by his description of his involvement.

Thank you Doug for your service to your Country and it is great to see how Australians are embracing ANZAC Day.

On ANZAC Day Past President John Jones is going to be representing our Club at the Eaglehawk Veterans March as I will be in New Zealand hopefully attending a service over the ditch.

Next Week we are not have a meeting on Wednesday night as we are going to the Movies Thursday night instead. The movie is "The Courier" and it is a fundraiser for the Bendigo Maubisse Friendship Group. Funds raised will be going to assist with the rebuilding after their recent Floods which has devastated most of the country.

Please book you tickets directly from the Star Cinema (see the attached Flyer) and support this good cause.

Mick Costello, President 2020-2021

# **District Governor's Message**

## Congratulations Rotary Melbourne

This week marks a special time in Australia, New Zealand and Pacific Islands Rotary history when we celebrate the establishment of Rotary in our region a century ago with the chartering of the Rotary Club of Melbourne, followed very shortly after by

Rotary Sydney, then Auckland and Wellington. I am sure all Rotarians in District 9800 join me in congratulating Rotary Melbourne in our District 9800 and acknowledge its incredible contribution. There is no doubt the Club will continue to be a beacon of giving over the next 100 years.

I recently attended the launch at Government House, Canberra of the hard copy book Humanity in action: Celebrating 100 years of Rotary Clubs in Australia and island neighbours, written and compiled by a representative committee of the Rotary International Zone 8 Australia Institute and edited by Bob Aitken. In his address at the launch, the Governor-General of Australia remarked:

"When you read the text and when you meet Rotarians, what jumps out is the enjoyment and fulfilment that comes from all who are in Rotary and that they are always looking for the next project.

"The book also provides a superb coverage of what Rotary 'is' and 'plans to be' in the future. The inspiring projects and topics – international, regional and local – reflect every avenue of

service from caring for communities to lifting vocational ethics and working for world peace."

I think this perfectly sums up what this book is about and I encourage you to purchase a copy quickly, as the production is quite limited. I congratulate Bob Aitken and all those involved in producing this wonderful gift to Rotary's history in Australia.

Our Multi District Conference, Virtual Victoria, is fast approaching, and I would like to encourage you all to book for both the online event, as well as District 9800's Breakout and Showcase at Hyatt Place, Essendon Fields. Don't forget to invite your sons, daughters, grandchildren, nieces and nephews along to the event. Children under 15 can be booked at half price.

Enjoy the week ahead in service above self.

Rotary District 9800 Governor Philip Archer

# MAY 8th

9:00am - 1.00pm \$5.00 per site Mechanics Institute Hall 8 School Street California Gully Phone - 0428 468 298

Always a pleasure to share our club events with family and friends so it was wonderful that Donna Bovaird, Eric's daughter, came along for the evening. Great to meet you Donna and we look forward to seeing you again.

We are keen for our Cluster Event – Friday June 4<sup>th</sup> and Saturday June 5<sup>th</sup>. All of the eight clubs within the Goldfields Clusters have agreed to come together and combine our efforts to bolster the supplies of FORaMEAL kits for the Rotary Club of Canterbury.

Each club will be responsible for gathering a contingent of about 12 people aiming to cover the two venues over the two days. This is a fantastic opportunity to showcase the work of Rotary and all clubs are encouraged to promote this activity throughout their communities.

Additional information can be found on the Rotary Club of Canterbury's FORaMEAL website but in the meantime here is some information for those who are looking to participate in our forthcoming Cluster Event – these are the packs we will be preparing -

#### Celebrating 100 Years of Service in 2021

By Kevin Sheehan, Immediate Past President, Rotary Melbourne

Rotary Melbourne implemented the centenary signature project concept in which Rotary clubs have been given the opportunity to create a new project or elevate an existing project, but ultimately nominate a project that can be celebrated.

The centenary signature project criteria was simple – address a real community need; propel Rotary into the next century of community service; energise members; provide a magnet for new members; find new partners; and, raise Rotary's profile.

As an outcome of implementing signature projects, Rotarians 'downunder' will leave a legacy for the next 100 years.

Rotary Melbourne's R100 Team were involved with numerous other initiatives, including the centenary stamp and coins, the Peace Symposium, New Bites for the Rotary Down Under magazine and spearheading the successful bid for the 2023 World Convention, as well as providing guidance and support to Rotarians who tabled their initiatives such as the Centenary Baton and Relay, Peace Poles, Peace Walk and a centenary book publication.

Rotary Melbourne's centenary endeavours sprung from the profile created around its 90<sup>th</sup> Anniversary, in particular the Gala Dinner, graced by the presence of the Governor General Quentin Bryce and Mr Bryce, recognising and celebrating the Club's long history of service.

Of note is the Vice-Regal recognition of Rotary's Centenary with His Excellency The Governor General and Mrs Hurley becoming Ambassadors and presiding over signature events.

Now that the Centenary is with us, it is an exciting time to be a Rotarian, with the best yet to come (as COVID restrictions ease) for 2021 to provide further recognition opportunities.

Rotary Melbourne is proud of the entire centenary effort, which after many years of concept promotion, gained valuable momentum throughout Australia and New Zealand.

Rotarians far and wide are witnessing not only the 100<sup>th</sup> Anniversary of the first Rotary club in Australia, but also the creation of the Centurion Alliance with Rotary Sydney, Wellington & Auckland, all having a 1<sup>st</sup> May 1921 Charter date, the first such alliance in the Rotary world.

Plus, there is the great work of our National Committee enabling Rotary throughout Australia to capitalise on 2021 as the centenary year, expose the hundreds of centenary projects that clubs have implemented...some small, some huge...and promote signature events.

History can record that Rotary Melbourne's leadership initiated recognition of this milestone, creating the Centurion Club Alliance with Sydney, Wellington & Auckland and inviting, through District Leadership, all 1,284 clubs in Australia and New Zealand to answer the question: 'What is your Centenary project?'

## Rotary Melbourne—Australia's First Rotary Club

# A brief overview of its long and proud history

Since its charter luncheon on 21 April 1921, the Rotary Club of Melbourne has not only had a rich history of service to the community, but also the advancement of Rotary in District 9800, and well beyond. In fact, in 1924, Rotary Melbourne chartered the Rotary Clubs of Adelaide, Hobart and Launceston with a further 24 clubs between 1925 and 1999, which have in turn, gone on to charter many more.

The charter membership of Rotary
Melbourne was based on the classification
system and included an impressive group
of Melbourne's leading business and
professional men, such as General Sir
John Monash, widely acknowledged as
one of the great Australians for his

outstanding military service during Word War I and as the first General Manager of the State Electricity Commission of Victoria, and serving as Vice-Chancellor of The University of Melbourne. Charter members also included Sir John Latham, Chief Justice of the High Court of Australia. Later, Sir Angus Mitchell joined the Club, becoming one of its most distinguished members and being elected as the first Australian President of Rotary International. A very close friend of Paul Harris, Sir Angus is credited with the re-establishment of Rotary in Japan after the end of World War II.

Among the Club's sustained record of Community service projects are the establishment of the Claremont Home for the Elderly, the sponsorship (with the Wesley central Mission) of the 'Life Line' Telephone Counselling Service, the development of the Crossroads Youth Service for vulnerable young people, the establishment of a heart risk reduction clinic at the Baker Medical Research Institute at the Alfred Hospital, assistance with the launch of the organisations Australian Against Child Abuse and Very Special Kids, and initiatives to establish programs of early intervention to prevent the growth of youth homelessness.

In the area of International Service between 1991 and 1995, the Club carried out its Australian-Vietnam Health Care and Health Education Program. The International Committee continues to sponsor programs in South East Asia, all related to health care and education.

The Group Study Exchange Program of the Rotary Foundation emerged from a goodwill study tour of young professional men to Papua New Guinea undertaken in 1962-62 by Frank Newman, a member of the Melbourne Club and now Past

President and Past District Governor.

As early as 1935-36, the Club also advocated for the apprenticeship scheme in Victoria, and continues to recognise apprenticeships as providing worthwhile career paths.

In 1993 the Club hosted the Rotary International Convention. Some twenty-two thousand Rotarians and partners attended the convention, fourteen thousand from overseas, strengthening ties of friendship and service across the world

Today, the Rotary Club of Melbourne continues its outstanding service through myriad innovative initiatives and can be proud of its contribution to both the community and Rotary International.

Happy Birthday Rotary Melbourne!

# The Duke of Edinburgh and his association with Rotary

As we farewelled Prince Philip, Duke of Edinburgh, whose funeral was held on 16 April, in Rotary we acknowledge his service to the community.

Prince Philip was an Honorary Member for four Rotary clubs: the Rotary Club of London; the Rotary Club of Edinburgh, Scotland, since 1952; and, the Rotary Clubs of Kings Lynn and Windsor & Eaton, in England.

Rotary has also been a long supporter of the Duke of Edinburgh's Award, created by His Royal Highness to give young people the opportunity to learn, grow and engage in voluntary action.

Marius Hopley, District Governor 1090 (Thames Valley), said: "Many will be unaware that the Duke was a member of Rotary, and in particular, was a member of the Rotary Club of Windsor and Eton in this district. Until about five years ago, the Duke would attend meetings in 'his' club and refused to be treated differently to other Rotarians, including sitting at the President's table.

"I was fortunate to meet Prince Philip when I was invited to the Rotary Club of London, where he was a guest speaker on the topic of conservation. He was witty, charming and reminded us all that he was a member, so he was effectively just a visiting Rotarian who happened to be the speaker.

"I am sure that I can express our sadness as a district at the loss of one of our members and, for those who like me hold Her Majesty The Queen in the highest regard, would add that our gratitude for his service to our country and support of Her Majesty will long be remembered."

In 1984, the Duke of Edinburgh wrote a foreword to David Shelley Nicholl's book "The Golden Wheel". The following is a small extract:

"The sheer size of Rotary International in 1984 is impressive."

"Almost one million members in 158 countries are awesome statistics, but they really mean nothing at all unless the members are inspired by Rotary's challenging philosophy, expressed by its splendidly simple motto 'Service Above Self'.

All proceeds from the nights will be donated to flood relief in Timor Leste.

Genre: Thriller. Dir: Dominic Cooke. Country: UK.

A true-life spy thriller, the story of an unassuming British businessman Greville Wynne (Benedict Cumberbatch) recruited into one of the greatest international conflicts in history. At the behest of the UK's MI-6 and a CIA operative (Rachel Brosnahan), he forms a covert, dangerous partnership with Soviet officer Oleg Penkovsky (Merab Ninidze) in an effort to provide crucial intelligence needed to prevent a nuclear confrontation and defuse the Cuban Missile Crisis.

## Rotary Book Shop

Don't forget to see when you have been rostered for the book shop — it's a two hour shift on a Saturday — if it's not convenience then see who you can swap with. Also — check out the club's facebook page — soon to have a promotional campaign that you can both 'like' and share on your social media.

# A refresher for planning for our meetings –

As a club we are fortunate to have the Mechanics facility for our meetings and club events. This also means that we need to plan and consider all those who help us to ensure our nights run smoothly and everyone is able to enjoy the experience. Additionally, we need to ensure we don't incur unnecessary costs. Some time ago the board decided

upon a process to ensure we maintained accurate numbers for catering purposes so here is a reminder for us all as to what we need to do –

- 1. If you are a member it is presumed that you will be attending the meeting and requiring a meal each week. This means that a meal will be ordered on your behalf and payment for such is required.
- 2. If you are NOT going to be able to attend the meeting then you will need to advise the President before 5.00pm on the Monday immediately prior to the meeting that you are an apology and will not be requiring a meal.
- 3. If you are bringing a guest then you need to advise the President as per 2. above.
- 4. A member is responsible to pay for any meal that has been ordered on your behalf.

It has been so long since we enjoyed the 'normal' meeting experience that we may be out of sorts for a while but if we all work together we can quickly get back into the groove.

## Four-Way Test

# The Four-Way Test

of the things we think, say or do.

- Is it the truth?
- Is it fair to all concerned?
- Will it build goodwill and better friendships?
- Will it be beneficial to all concerned?

#### RC Eaglehawk Acts of Kindness.

Listed below are the latest contribution to our 'Acts of Kindness.' Please let us know of others happening within the club and within families of our Rotary members.

- 23. President Mick, PE Gary and PP's John, Alison and Ron all spent a few hours doing a thorough clean-up of our storage shed. The "might come in handy one day" gear now resides elsewhere.
- 24. A young, disabled girl was struggling to pay for her purchases at the register in Kmart. The cashier very kindly tried to assist but it was a challenge for all involved. PP Alison Bacon's offer to pay on her behalf resulted in a positive outcome for a difficult situation.
- 25. Rotarian Charlie Cunneen's regular and ongoing support of St. Vinnie's certainly is one of the unsung acts that really deserves a mention.
- 26. A local elderly Vietnam Vet had to take his car to a dealership in Ballarat but he was unable to make the trip. PP Alison took it for him, and ensured that the issue he was experiencing was resolved.

# Which Direction is the Rotary Club of Eaglehawk going?

We are confident that the new direction is now clearly in sight. What a great time to be a member, and involved in our Club!
