President Geoff's report 19/04/23

Hi all.

After a couple of weeks off I should be nice and refreshed however a bout of man-flu has laid me very low. Should get better soon.

This week we had apologies from Brian Fitzpatrick, Geoff Adcock, Jennifer Sanderson, Tim Watts, and Eric Smith

Visitors this week were:

John Poke and Mary Kelly. John is president of Boronia RC.

Greg and Janine Mossop, Boronia RC PE.

Neville and Janet Windebank also from Boronia RC.

Hector and Lara Bathurst from Axedale, where they run an animal assisted therapy business.

And of course, Marg Walkington and Alf Thorpe.

Thanks to past member **Gary Frank** for organizing the book stall at the Easter Fair, it was a successful day despite the inclement weather.

We start staffing the gate at Eaglehawk Football and Netball Clubs home games this Saturday. We are right for helpers this week and I am sure that many of you will assist me in making this a success.

Next Tuesday is Anzac Day and as mentioned last week we are cooking breakfast at 5.15 AM on Tuesday. Please help me out if you can. Let me know at the following Email or phone me.

geoffgallagher711@gmail.com or 0428127766. We should be finished by 7.30.

Our guest speakers this week were **John Poke and Greg Mossop**, who spoke on Boronia's very successful membership drive. Greg gave us a brief overview on how their club, led by himself, achieve their targets. They also have an enviable retention programme which really works.

We will be contacting Greg very shortly to get further details.

Get well soon Eric.

I hear you also have the flu.

Until next week.

Take care.

Geoff Gallagher

Please note:

It would pay to tell members that there have been some strange looking emails with my name attached. If anyone has any suspicions, they should not open them and delete them immediately.

CLUB HAPPENINGS

An enjoyable meeting was had by all members with special guests of Lindsay and Marg Walkington's. The speakers were **John Poke** and **Greg Mossop**. They were informative and gave us lots to think about for the future.
