President John's Report

Thank you to all who were able to join our first Zoom meeting on Wednesday evening and especially to PP Ron for setting it up. I believe it all went very smoothly. Thank you also to PE Mick for arranging to have his daughters come on line to give us an international perspective on the Covid 19 situation. Sophie is working with the public service in Wellington, New Zealand and Melissa is a secondary teacher in London. Melissa was also joined by her French house mate and so their views (and these photos of a very quiet London) were most illuminating.

As an introductory meeting it was primarily a familiarisation meeting but also an opportunity to 'escape' social isolation and have a catch up. Thank you for your support.

It was especially pleasing to have PP Doug Harrison join us and thereby provide an update on his own health and also that of Lyn – we wish them both our very best.

There was an opportunity to discuss some business with a major consideration being taking on the Christmas trailer raffle in association with Bendigo South. I will be arranging a meeting with Glenn Madden (President – Bendigo South) in the near future to progress the discussion.

Earlier in the week I cleared the freezers at our shed and delivered the sausages, bacon, hamburgers and onions to the Eaglehawk Community House. They are doing an amazing job in preparing and delivering meals to some of our most vulnerable in the local community. I had a very productive conversation with Tracey Clarke and she has agreed to join us for a Zoom meeting in the near future to share what they are doing.

While at the shed I noticed that the recent rains have certainly stimulated the vegetation. Thank you to PE Mick who had offered to do a tidy up on Sunday morning at 10:00. I will be joining him and invite other members to come along if you can. Whipper snippers would be very useful and I am confident that we can maintain appropriate social distance.

Next week we will have an on-line induction of Lindsay Walkington – yet another first in these challenging times. I look forward to catching up with you all for another Zoom meeting.

Stay safe,

John P Jones
President 2019/20

Member Announcements and Information

Virtual tattslotto competition comes to Rotary Club of Eaglehawk!

Pretty much the same as the other ones we've run but this time we won't see each other each week to brag about the winnings!

It's very simple to enter, simply email (alison@bendigo.com.au) and let me know your number (be quick to secure your favourite number/s), I will then give you the details of our bank account for you to transfer the payment.

Then each week for 10 weeks if your number is the first drawn supplementary number in Saturday nights Tattslotto draw you win \$40.

We've all had a few weeks off from our weekly chicken meals, so you will have plenty of 'Rotary Reserved Funds' to call upon – perhaps you could even shout family members a number or two – but be quick, only 45 numbers are available.

All numbers must be sold before Friday 24th April for the first draw to commence on Saturday 25th April.

Further to this notice from last week's bulletin its been a great response to date with only a few numbers left. So, if you want to participate but haven't picked a number – these are the numbers that you can chose from -

2 16 32 33 34 36 37 39 40 41 45

Each number costs \$20 and each week for 10 weeks you have the chance to win \$40 if your number is the first drawn supplementary out during the Saturday Tattslotto Draw. How good is that! And really simple.....**wouldn't it be nice.....!**

The draw will commence this week (Saturday 25th April) – any numbers that remain unsold are retained by the club and no prize money will be allocated should those club retained numbers be drawn.

As was reported last week, our club's facebook page has been transformed into a resource of historical significance! As we experience a drop in new projects/programs to share with our followers, this is a great time to run a series of 'Blast from the Past' posts. A great way to bring past projects and club success stories back into focus in our broader community.

So far we've covered –

The Eaglehawk Play Space
Canterbury Park Fountain
Sound Shell in Canterbury Park.
Public Toilets at Lake Neangar

Make sure you click the 'like page' and the 'follow page' buttons that appear directly under the photo header so you get the best chance of seeing these stories as they are posted, and of course share them so all your friends can see them too!

Never in my whole life would I imagine my hands would consume more alcohol than my mouth!!

A message from DG Grant –
