10 <sup>th</sup> May	Club dinner meeting	Bar- Trevor Lock Clean – John Gurr & Mick Costello

**Happy Birthday**  
**April 30<sup>th</sup> Charlie Cunneen**

## President Geoff's report

Due to the two major events happening within the week it was decided there would be no meeting held on Wednesday evening.

We look forward to seeing everyone at our Trivia Night tonight !!

## CLUB HAPPENINGS

Our guest speaker next week is **Geoff Hocking**.

Geoff grew up in our local area and is a renowned artist, sculptor, historian and story teller. He lectured in graphic design at LaTrobe Bendigo and has recently retired. He also has an association with our club as he was very close to his cousin, PP Howard Osborne. A wonderful speaker and a great opportunity to bring along partners and / or guests.

### ANZAC DAY BBQ

We served up a hearty breakfast for the many people who were at the Eaglehawk Dawn Remembrance Service.

It is always an honour to remember all those who have served or are now in service for our country.

***'LEST WE FORGET'***

## Youth Report from Lynne

Hi Lynne,

I hope you're doing well!

I just found this page published which shows my work that I'll be doing with a rotary scholarship. It has some details on my NYSF journey.

<https://australianrotaryhealth.org.au/emily-major/>

Kind regards

Emily

This is wonderful news from **Emily Major** who participated in NYSF some years ago. It's great to keep in touch and to see that Emily has continued her connection with Rotary through the Research program.

Members from all our clubs will be interested to read this especially as Emily is from Rochester ... which is very much in the news these past few months.

NYSF applications will be open soon so please take it on yourselves to speak to any year 11 STEM students or classes at your local schools to encourage students to apply.

I am happy to chat to anyone who needs more information.

**Go Rotary and NYSF - it makes a difference.**

## The Science Santos experience

*The Science Experience is a fun 1, 3 or 4 days of science activities for Year 9 and 10 students in the 2023 program year.*

Each program is designed to provide students who have an interest in science with an opportunity to engage in a wide range of fascinating science activities under the guidance of scientists who love their work.

Rotary clubs promote the program, contact schools, sponsor many students to attend, participate actively in organising programs and in providing social activities.

Further information can be found at:

<https://www.scienceexperience.com.au/about-the-program>

## Dates to Remember

### April

28<sup>th</sup> **TONIGHT** Trivia Night

### May

7<sup>th</sup> District Assembly

17<sup>th</sup> Board Meeting

21<sup>st</sup> Bunnings BBQ

27<sup>th</sup> International Convention

**Judy Miatke, RC Bendigo Sandhurst President** advises that the details of their club's meetings be amended to now reflect their new arrangements.

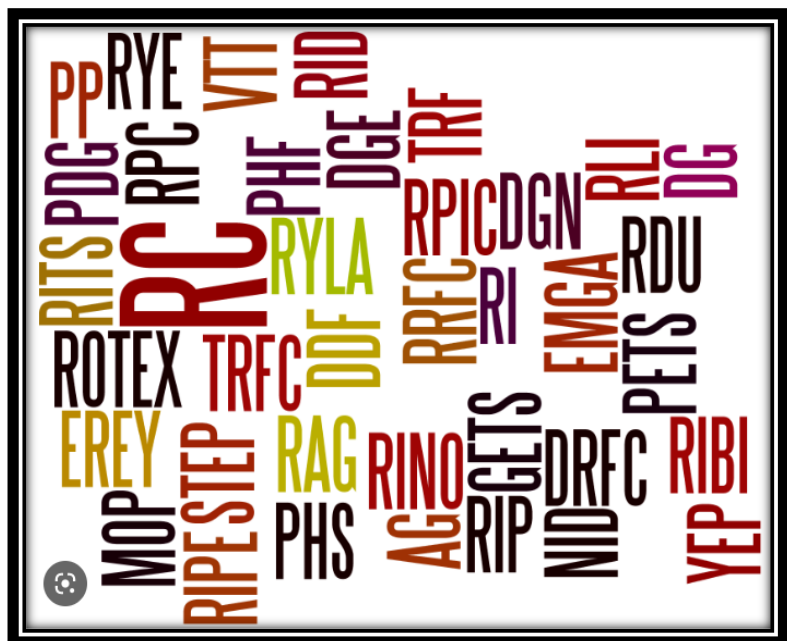

They are -

**Wednesdays 7.30am (breakfast meeting)**

**Pepper Green Farm**

**40-44 Thunder Street,**

**North Bendigo**

## ***PETS***

*The final President-elect Training Session was held in Melbourne last weekend with our AG Alison and PE Eric in attendance. It was wonderful to see most clubs represented throughout the whole PETS program and to hear the positive feedback. It is clear that our new presidents are looking forward to their coming year of office.*

## ***District Assembly***

**Rotary**  
District 9800

**District Assembly**
