President Mick's Report –

Nice to see Lyn Cooper joined us again – means we didn't scare her off last week.

Firstly I would like to congratulate all the club members for embracing how we are trying to structure our meeting. If you are having trouble using the ZOOM to join us, Geoff Gallagher is available to try and assist you. Geoff's number 0428127766.

I strongly encourage everyone to join us as I think we have got a winning formula going.

Report from the Mechanics Hall:

We had a mould issue in the cupboards under the Sink, the Council have got their Builder and Plumber repairing the damage (appears to have been caused by the hot water unit in the cupboard). Whilst rebuilding the Cupboard they are going to leave room to accommodate a Dishwasher. A good result all round.

A big thanks goes out to our Quiz Master for the night in Gary Frank, a very well put together Quiz on the History of members of our Club.

As a side note did anyone beat my 21 out of 30? (Editor's note – Yes)

This Weeks Guest Speaker was our newest Member in Lindsay Walkington, he certainly had us all captivated with his stories as an Electrical Inspector. Lindsay you certainly see a wide range of industries in your work.

No meeting next week as we will be having a Board Meeting (reminder to all Board members to have your reports to John by Monday).

Wednesday 27th August we will have Kerry Kornhauser as our Guest Speaker talking on the Subject of 'Why Rotary Needs Women' Carolyn Robinson has agreed to Chair this meeting as she was our First Woman President - thanks Carolyn.

Please encourage all partners to join us for this important meeting.

Also Geoff Adcock is going to be the Quiz Master that night (can I suggest you could quiz us on St. Kilda's Premierships).

Again I encourage you to join us on the 27th August to discuss this very important subject which is crucial to our existence.

This Saturday night – 15th August the clubs social dinner meeting as arranged by Leon Scott will commence at 6.30 for drinks and nibbles, with main course at 7pm followed by desert at 7.30pm. Use the clubs Zoom login to join in and enjoy this social occasion.

Rotary Club of Eaglehawk

Mick's Quote of the Week –

"If we really want to love, if we really want to live, we must love until it hurts. . No Rotarian whose motto is Service Above Self, I think, should call himself a Rotarian if he does make time to serve. .If we love, we begin to serve. And this is where that beautiful motto begins that the Rotarian have made this year, Take Time to Serve."
Mother Teresa - 1981.

Peter Krenz Leisure Centre – Community Reference Group

Manjy thanks to Rita O'Brien who arranged for Malcolm to provide me with extensive feedback – absolutely brilliant to receive such a detailed and comprehensive response. Also thanks to Geoff Gallagher for responding with his views on any future direction of the centre.

I remain somewhat surprised by the lack of input from our members. This is a community facility that will play a huge role in the community facilities provided within our area for many years to come, I thought more members would like to contribute.
