## President Geoff's report – 24/08/22

Last week we attended the 16th annual awards night for empowering Eaglehawk.

I feel it is important to show support for other community groups and it was great to see so many other members present. Our very own member Mary Preston along with two others were awarded life membership in Empowering Eaglehawk. Congratulations Mary, it is well deserved. The Y-Men's club were awarded the community group award. Congratulations to them.

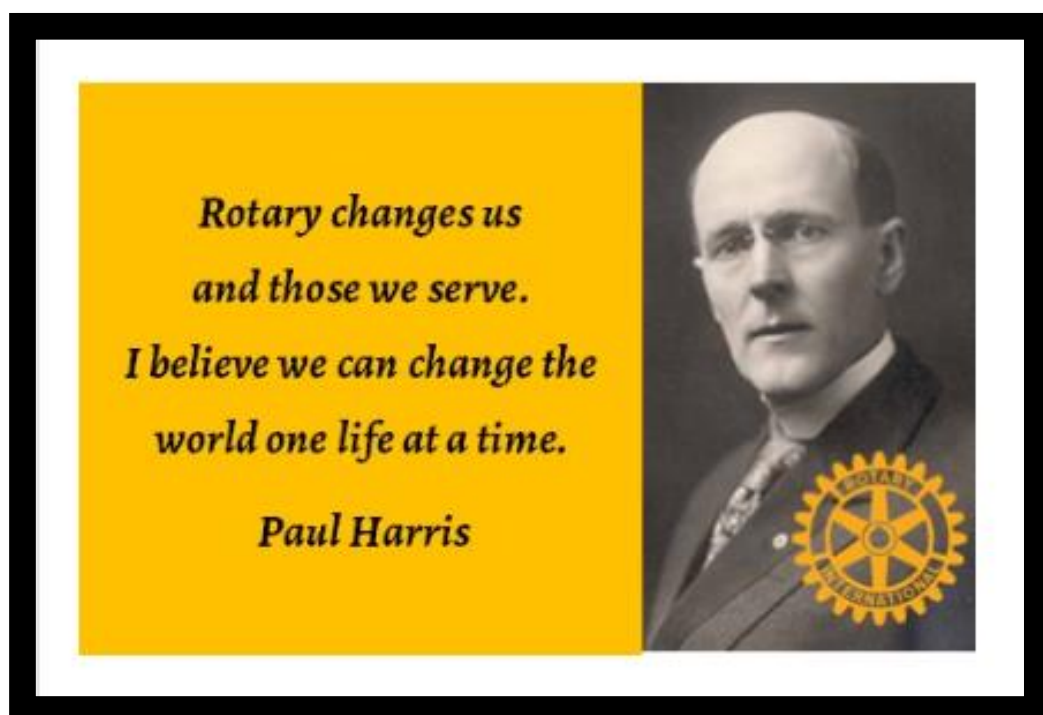

Last night we had another great turn up with 4 apologies. Alison led the night instructing us on the benefits and practical use of My Rotary and Club Runner. Many thanks to Alison. It was greatly appreciated by most of us and challenged some others, (Mick said he would get Mandy to use his.)

We have a great deal of work coming up so as always please help out when you can. We are cooking sausages for the skateboard competition on Saturday 3rd September, Run for Dad on 4th September, a breakfast on 5th September and RUOK on 8th September.

I will be away next week and Eric Smith will take over for me. Thanks to Eric.

Stay safe

*Geoff Gallagher*

### Coming Events – to mark in your calendar

**Aug 28th** – Ford Mustang Rally – we have had no further contact so will not be involved.

**Aug 31st** – Dinner meeting – Hassan, a dentist from Iraq who is completing Australian certification – an amazing personal story.

**Sep 3rd** – Blue Light event at McKern Skate Park – sausage sizzle from 11: - 1:30. Volunteers required.

**Sep 4th** – Run For dads at Bendigo Racecourse – marshals needed, so volunteers required.

**Sep 5th** – Breakfast at the Long gully community Garden (6:30 – 9:00)

**Sep 7th** – No dinner meeting

**Sep 8th** – Interclub visit to Rotary Club of Rochester – extra items for them to take north to flood effected areas appreciated. (It was pleasing to see that one of our former NYSF students has donated, via Lynne Cooper, a collection of goods to take north – a young person who has received support giving back in turn - very gratifying)

### Christmas Trailer Raffle

Those attending this week could not help but be impressed with the impressive collection of items for the Christmas Trailer Raffle. It is fast approaching with sales commencing on **Sep 19 at Market Place**. We will be asking members and families/ friends to assist where possible. We will alternate weekly with Bendigo South to manage the raffle with the draw being held on Mon Dec 19 at the Mechanics. Each club will be responsible for tickets sales on Friday after 5:00 and on Sundays during their weeks. If you know of any organisations that may like to sell tickets on a 50/50 basis, then let Sec. John know.

**\*\*\*\* Please note that, at the subsequent Board meeting, it was resolved to postpone the Garden Expo until 2023. The current program and commitments and time frame were deemed to make it untenable to conduct it this year.**

## The Science & Engineering Challenge

The regional program was held in Bendigo last Monday with seven local Secondary Colleges sending teams of up to eight students to compete in a range of Science, Technology, Engineering and Maths related tasks.

There are some very clever students in our schools who displayed some amazing problem solving skills.

Congratulations to the Students from Bendigo South-East SC who were the overall winners. They will now compete at the National Final to be held in Bendigo on 21<sup>st</sup> October.

Thanks to our club members, Mary and Laurie Preston and DGE Ron Payne who joined with Rotarians from other clubs in acting as activity supervisors on the day. ***This was a wonderful experience.***
